POLITY

Section Group: Constitutional Framework & Evolution

Microtopic: Comparison of the Indian constitutional scheme with that of other countries

Subtopic: Constitutional Comparison

Card 1: Comparison with Constitutions of Other Countries

QUOTE

"While we borrowed from many, we built for Bharat." — Dr. B.R. Ambedkar

INTRODUCTION

- A unique blend of global constitutional wisdom, **India's constitutional design marries UK's parliamentary ethics, US's checks-and-balances, and Irish DPSPs to craft a Bharatiya model.**

EXAMPLES

- Law Commission proposed selective adoption of AI laws from EU
- SC cited US Supreme Court precedents in digital privacy verdict
- NITI Aayog referenced OECD models for cooperative federalism

CONCLUSION

- Learning globally but acting locally keeps Indian constitutionalism adaptive and culturally rooted.

Card 2: PARLIAMENTARY DEMOCRACY vs PRESIDENTIAL SYSTEM

QUOTE

"Parliamentary democracy is the bedrock of India's governance, where diverse voices converge to shape the nation's destiny." — ABV (Atal Bihari Vajpayee)

INTRODUCTION

- **Parliamentary System:** Form of democracy where the **executive branch is accountable to the legislature**, with a **PM as head of government**. Part of **Basic Structure**.
- **Presidential System:** Form of democracy where the **executive is separate from the legislature**, with a **directly elected President** as both head of state and government.

Microtopic: Features, amendments, significant provisions and basic structure

Subtopic: Amendments

Card 1: Significant Provisions and Amendments

QUOTE

"Amendment is the lifeline of a living Constitution." — Nani Palkhivala

INTRODUCTION

- India's constitutional amendments from "One Nation, One Tax" to women-led Viksit Bharat demonstrate dynamic adaptation to justice, equity, and development goals.

EXAMPLES

- 106th Amendment enabled 33% reservation for women in legislatures
- NITI Aayog proposed fiscal federalism reforms via constitutional amendment
- SC upheld EWS quota as a reasonable classification under Art. 15(6)

CONCLUSION

- Amendments must be tools of inclusion, not instruments of impulse guided by reason, data, and the Constitution's spirit of justice.

Subtopic: Case Laws

Card 1: BASIC STRUCTURE DOCTRINE

QUOTE

"BSD applies brakes when the engine of amending power threatens to overrun the Constitution." — Upendra Baxi

"BSD is the Pole star which guides us when we are lost." — CJI

INTRODUCTION

- **Context:** VP criticized the Basic Structure Doctrine.
- **Meaning:** Judicial innovation under the **Kesavananda Bharati (KSB) case** to ensure the power of amendment under **Art. 368** is not misused by Parliament.

Subtopic: Constitutional Morality

Card 1: Salient Features and Basic Structure

QUOTE

"The basic structure is the North Star of Indian democracy." — Justice D.Y. Chandrachud

INTRODUCTION

- Rooted in the ideals of liberty, equality, and fraternity, the Indian Constitution upholds **"Nyay, not just Kanoon,"** with its basic structure ensuring that democratic continuity outlasts political churn.

EXAMPLES

- SC struck down electoral bonds citing violation of voters' right to information
- Parliamentary Committee reaffirmed secularism as core to electoral reforms
- ARC-II emphasized constitutional morality as non-negotiable for institutional integrity

CONCLUSION

- India's basic structure doctrine protects not tradition, but transformation with dignity, dissent, and democracy as its sentinels.

Microtopic: Fundamental Rights, Preamble, DPSP, Fundamental Duties, etc.

Subtopic: DPSP

Card 1: DIRECTIVE PRINCIPLES of STATE POLICY (Dpsps)

QUOTE

"DPSP are life-giving provisions of the constitution." — LM Singhvi

INTRODUCTION

- **DPSPs** are **non-justiciable moral precepts** enshrined in the Constitution (**Part 4 — Art. 36–51**) to be followed by the state in governance for **socio-economic justice**.

Subtopic: Fundamental Rights

Card 1: FUNDAMENTAL RIGHTS (Frs)

INTRODUCTION

- Begin with **specific article** reference.
- **Fundamental Rights** are the basic human rights enshrined in the Constitution (**Part 3 — Art. 12–35**), guaranteed to **all citizens**.

CONCLUSION

- **FRs create conditions** for **moral and material progress** of citizens while ensuring **constitutionalism/limited govt** in line with "We the People."

Card 2: PREAMBLE

QUOTE

"Horoscope of our sovereign democratic republic." — KM Munshi

INTRODUCTION

- **Introductory statement** in the Constitution that explains its **philosophy and objectives**.
- **LIC case & Kesavananda Bharati** — Part of the Constitution but **not directly enforceable**.

Card 3: RESERVATION / AFFIRMATIVE ACTION

QUOTE

"Purpose of reservation has been stretched beyond combating discrimination & empowering marginalised to an anti-poverty measure — a load it cannot bear." — Pratap Bhanu Mehta

"Strong consensus for weak reforms." — Montek Singh Ahluwalia

INTRODUCTION

- **Affirmative action** taken by the State to remove **persistent discrimination** on a particular segment of society.
- **Context:** Haryana local job quota.
- **Key Judgements:**
 - **Nagraj Case:** (1) Equality is part of Basic Structure; (2) **Width & Identity Test** — Width: 50% limit, creamy layer, compelling reasons, administrative efficiency; Identity: BSD.
 - **Indira Sawhney Case:** Struck down **10% reservation** by Narsimha Rao for General Category.
 - **NALSA, Ram Singh vs UOI:** State is duty-bound to discover new emerging groups.

CONCLUSION

- **Justice Ranganath Mishra Commission:** Bring **uniform criteria** based on **socio-economic backwardness**.

Card 4: FUNDAMENTAL DUTIES (Fds)

QUOTE

"The true source of rights is duty." — Gandhi

INTRODUCTION

- **42nd Constitutional Amendment Act (CAA) 1976** added **Part 4A** on recommendations of the **Swaran Singh Committee**, providing for **moral obligations** of citizens towards the state and fellow citizens.

CONCLUSION

- Promises of **Part 3 (FRs) & Part 4 (DPSPs)** cannot be fulfilled without effective realization of citizen duties under **Part 4A**.

Card 5: SEDITION (Section 124a IPC)

QUOTE

"124A is the prince among sections of IPC to suppress liberty of people." — Gandhiji

KEY JUDGEMENTS

- **Kedarnath vs State of Bihar, Arup Bhuyan Case:** Sedition applies **only if incitement to violence**.
- **SG Vombatkere vs UOI:** SC suspended operation of 124A pending review; colonial legacy.

CONCLUSION

- **Kishan Bhai vs State of Gujarat:** Policemen must be prosecuted for filing chargesheet against a person knowing he was innocent.
- **"Cutting the tree vs cutting the entire forest"** — must be proportionate.
- **"Process becomes the punishment"** — danger of misuse.

INTRODUCTION

- **Context:** Law Commission's **279th Report** recently reviewed and recommended retaining **S. 124A**.

Card 6: FREEDOM of SPEECH & EXPRESSION (FOSE) / DISSENT

QUOTE

"Dissent is the Safety Valve of democracy." — DY Chandrachud

"Main challenge to FOSE is not state-imposed restrictions but demands of masses who favor limitations of speech — Heckler's veto." — Abhinav Chandrachud, Republic of Rhetoric

"Censorial powers is in the people over govt and not in govt over people."

KEY JUDGEMENTS

- **FOSE rests on 2 premises:**
 - **Instrumental value theory** — means to an end (democracy, truth, art)
 - **Intrinsic value theory** — liberty, self-development to full potential

Card 7: INTERNET SHUTDOWN

INTRODUCTION

- Govt measures to **prevent/disrupt access to the internet**.
- **Context:** Manipur internet shutdown.
- **Anuradha Bhasin Case:** Indefinite suspension of internet services contravenes **Art. 19(1)(a) & 19(1)(g)**.

CONCLUSION

- Parliamentary Standing Committee recommendations must be followed — **clear policies & selective, targeted restrictions**.

DATA

- India topped global list of documented internet shutdowns with **116 disruptions in 2023 (Access Now)**.
- **Brookings Study 2016:** Economic loss of **\$970 million** in 2016.

Card 8: DEFAMATION

INTRODUCTION

- **Context:** An MP sentenced to 2 years (criminal defamation) u/s **499, 500 IPC** by Surat HC.
- **One of the Reasonable Restrictions (RR)** under **Art. 19(2)**.
- Act of communicating **false statements** about a person that injure their reputation.
- **Subramanyam Swamy Case:** Upheld — right to reputation under **Art. 21** and need for constitutional fraternity.
- Punishment > 2 years → ground for **disqualification** under **S. 8(3) of RPA**.

CONCLUSION

- **Freedom comes with responsibility.** Being an enumerated RR — need to interpret each case with utmost care to **balance Art. 19 with right to reputation under Art. 21**.

Card 9: UNIFORM CIVIL CODE (UCC)

QUOTE

"UCC should apply only for those who are prepared to be bound by it." — Ambedkar

INTRODUCTION

- **Art. 44** — Single law for personal matters based on the presumption that **no connection exists between religion & law** in modern civilization.
- **Pannalal Patil Case:** Despite desirability of UCC, its enactment may be **counterproductive to unity**; bottom-up force required.
- **Law Commission:** Mere difference is not discrimination; rather indicates a robust democracy.

CONCLUSION

- **Piecemeal** rather than **wholesale social engineering**.
- **Law Commission:** In absence of consensus in a diverse country, best way is to **preserve diversity** and ensure personal laws don't contradict FRs through **amendment of inequalities**.

Card 10: HATE SPEECH

QUOTE

"Without fraternity, liberty & equality would be no deeper than coats of paint." — Ambedkar

INTRODUCTION

- (Introductory definition to be added from notes)

Card 11: DPDP Bill (Data Protection)

INTRODUCTION

- Recently DPDP Bill was passed with obj of processing **digital personal data** while balancing **privacy** & need to process data for lawful purposes.
- Data is the **new oil**.
- **Big data - 4Vs**: Veracity, Volume, Variety, Velocity.
- **IT Act 2000, IT Rules 2021 - S 69A** - ban on some websites.
- **KS Puttaswamy**: Right to privacy - 3 tests - law, legitimate state int, proportionality.

CONCLUSION

- **EU-GDPR model** must be followed like right to be forgotten + JPC recommendation of including non personal data in ambit.
- Implement the **9 principles of data protection** as per A P Shah committee.

Microtopic: Indian Constitution- historical underpinnings and evolution

Subtopic: Making of the Constitution

Card 1: Historical Underpinnings and Evolution

QUOTE

"Our Constitution is a testament to the sacrifices of generations who believed in justice, liberty, equality, and fraternity." — President Droupadi Murmu

INTRODUCTION

- A journey from the Regulating Act to Nehru's Objectives Resolution, India's constitutional arc mirrored its transformation from colonial command to participatory democracy, embodying the spirit of **"Raj se Samvidhan tak."**

EXAMPLES

- Law Commission's consultation paper proposed integrating constitutional history in legal education reforms
- UGC rolled out 'Samvidhan Mahotsav' across universities
- NCERT revamped Class 12 Political Science with new Constitution-making modules

CONCLUSION

- Constitutional literacy must deepen beyond ceremonies into classrooms, civic tech, and citizen charters to make Samvidhan truly participative.

Section Group: Elections & Political Dynamics

Microtopic: Salient features of the Representation of People's Act

Subtopic: Election Dispute and Disqualification

Card 1: REPRESENTATION of People's ACT (RPA)

INTRODUCTION

- In exercise of powers conferred under **Art. 327**, Parliament passed the **RPA 1951** to ensure **free & fair elections** in India.

CONCLUSION

- (Refer to common elections conclusion — Jimmy Carter quote.)

Subtopic: Electoral reforms

Card 1: Representation of People's Act

QUOTE

"The essence of democracy is free and fair elections." — S.Y. Quraishi

INTRODUCTION

- The RP Act continues to evolve in the digital age grappling with issues of electoral bonds, voter portability and criminalisation while safeguarding public faith in elections.

EXAMPLES

- SC struck down electoral bonds scheme
- EC proposed remote voting prototype for migrant citizens
- Law Commission suggested synchronised polls under RP Act framework

CONCLUSION

- India's electoral laws must evolve to match voter empowerment and clean politics in the digital age.

Card 2: WOMEN RESERVATION BILL (108th CAA)

INTRODUCTION

- 106th CAA (Nari Shakti Vandan Adhiniyam, 2023)** provides for **33% reservation** in LS & State Legislatures for **15 years**.
- Recently a private member bill sought to re-introduce the Reservation Bill.
- "**Biwi Bahu Beti politics**" — criticism.

CONCLUSION

- UK model:** 40% compulsory reservation within political parties.
- 1/3rd dual-member constituencies** model.
- Not a panacea — (O ACS).

Card 3: ELECTIONS — COMMON CONCLUSION

QUOTE

"Free & Fair elections are the lifeblood of any democracy." — Jimmy Carter

INTRODUCTION

- India as Mother of Democracy.

Card 4: ELECTION FUNDING & ELECTORAL BONDS

QUOTE

"When the power of a vote is diluted through opacity in political funding, democracy loses its intrinsic value." — Ornit Shani

DATA

- 83% of electoral bonds from 4 metro cities.
- 91% from donations >₹1 crore.
- 95% went to ruling party in 2017-18.

INTRODUCTION

- 475 crore patis in 17th Lok Sabha as per ADR.
- **Electoral Bonds:** Announced in Budget 2017-18 as **interest-free, anonymous financial instruments** for donations to political parties — resembling a promissory note.

Card 5: SIMULTANEOUS ELECTIONS (ONE NATION ONE ELECTION)

INTRODUCTION

- Structuring elections so that **LS & State Assembly elections are synchronized** — recently recommended by ECI, LC & PSC.
- Will require amendment of **Art. 172 & Art. 83** (duration of LS, SLA) + RPA.

CONCLUSION

- **Law Commission:** 2-phased implementation — synchronize with LS & midterm of LS; hold all bye-elections together in a year.

Card 6: RPA & Elections

QUOTE

"Free & Fair elections are lifeblood of any democracy" — Jimmy Carter

INTRODUCTION

- Parliament passed the **RPA 1951** u/a 327 to ensure free & fair elections in India.
- India is recognized as the **mother of democracy**.

Card 7: Election Reforms

INTRODUCTION

- Refers to **positive changes** in election processes in order to promote greater democracy.

Subtopic: Political Parties

Card 1: Anti-defection LAW (10th SCHEDULE)

INTRODUCTION

- 52nd CAA 1985 in 10th Schedule** provides for disqualification on basis of defection to prevent **AyaRam GayaRam** politics.
- Recent Examples:** Goa (2019) — 10/15 Congress MLAs joined BJP; MH collapse; KA — ruling govt collapsed; MN — Speaker did not disqualify.
- Kihoto Hollohan Case** — constitutionality upheld.

CONCLUSION

- Meghachandra Case:** Permanent tribunal instead of Speaker + **3-month time limit**.
- Halim Committee:** Define "voluntarily giving up membership."
- Law Commission:** Pre-poll groupings are one party under 10th Schedule; delete exception for mergers.
- Dinesh Goswami Committee:** Limited whip — only for **vote of confidence** cases.

Card 2: CRIMINALISATION of POLITICS

QUOTE

"Like a cancer, eating into the vitals of a democracy." — Delhi HC 2018

DATA

- 46% MPs in 18th LS** with criminal records; **31% have serious charges (ADR Report)**.

INTRODUCTION

- 46% MPs in 18th LS** with criminal records; **31% have serious charges (ADR Report)**.
- Milan Vaishnav:** From nexus to **vertical integration**.

Card 3: Electoral Funding & Bonds

QUOTE

"When the power of a vote is diluted through opacity in political funding, democracy loses its intrinsic value" — Ornit Shani

DATA

- **475 crorepatis** in 17th Lok Sabha as per ADR.
- **95% for ruling party** in 17-18.
- 83% from 4 metro cities.

INTRODUCTION

- Budget 17-18 announced Electoral Bonds as **interest free financial instruments** for anonymous donations.

Section Group: Federal Structure & Local Governance

Microtopic: Devolution of powers and finances up to local levels and challenges therein

Subtopic: Local Self Government

Card 1: Devolution of Powers to Local Governments

QUOTE

"Democracy at the grassroots is democracy at its strongest." — Mahatma Gandhi

INTRODUCTION

- From digital panchayats to urban devolution-linked SDGs, India is giving shape to **Jan Bhagidari se Jan Governance** making decentralisation more than tokenism.

EXAMPLES

- MoPR launched e-GramSwaraj 2.0 with spatial planning tools
- MoHUA tied urban devolution funds to service-level benchmarks
- 15th Finance Commission incentivised performance-based panchayat grants

CONCLUSION

- Strong democracies grow bottom-up by building institutions that localise delivery, voice, and accountability.

Card 2: PANCHAYATI RAJ INSTITUTIONS (Pris)

QUOTE

"Future of India lies in its villages." — Gandhiji

- Move from **3F to 4th F** — Functionality. Build **Cooperative Sub-Federalism**.
- **"Gram Uday se Bharat Uday"** — With 65% of India residing in villages, PRIs can play a pivotal role.

DATA

- **15th FC**: ₹1.42 lakh crore allocated for panchayats.

INTRODUCTION

- **73rd & 74th CAA 1992** constitutionalized PRIs to fulfil the vision of **Art. 40** — democratic decentralization for **grass-roots democracy**.
- **Art. 243 – 243O** (Rural) & **Art. 243P – 243ZG** (Urban).
- **Best Practices (BPs)**: Gram Panchayat Model Citizen Charter; **Kerala** — activity mapping; **15th FC** — ₹1.42 lakh crore for panchayats; **Karnataka** — separate bureaucratic cadre; Bellandur — TV live telecast of panchayat meetings; **AP** — Village Volunteer & Secretariat.

CONCLUSION

- Empowered local bodies can help drive **triple-engine growth**.

Microtopic: Functions and responsibilities of the Union and the States

Subtopic: Emergency

Card 1: EMERGENCY PROVISIONS

INTRODUCTION

- The Constitution under **Part XVIII (Art. 352–360)** provides for the imposition of emergency to deal with **extraordinary situations** that cannot be handled with existing administrative mechanisms.

CONCLUSION

- Emergency provides **built-in flexibility** in a **sui generis Constitution** to secure the democratic political system, financial stability, and sovereignty, unity, and integrity of the nation.

Microtopic: Issues and challenges pertaining to the federal structure

Subtopic: Federalism

Card 1: Federal Structure & Centre-State Relations

QUOTE

"Cooperative federalism is not a choice; it is a constitutional compulsion." — PM Narendra Modi

INTRODUCTION

- With platforms like NITI Aayog and PM Gati Shakti, **India's federal spirit is evolving from confrontation to convergence, ensuring "One India, Inclusive India."**

EXAMPLES

- Finance Commission flagged GST compensation delays
- Inter-State Council revived with new agenda
- MoHUA enabled urban funds linked to SDG localisation

CONCLUSION

- India's unity will depend on **"Sahyog se Samridhi"**, not just legal boundaries but fiscal trust and cooperative temperament.

Card 2: FEDERALISM

QUOTE

"Cooperative federalism will be the key to sustain India's unity, integrity & socio-economic development in the future." — Punchhi Commission

INTRODUCTION

- **Constitutional division of powers** between 2 or more levels.
- **Key thinkers:** KC Wheare — quasi-federal; Morris Jones — bargaining federalism; SR Bommai — Federalism part of **Basic Structure**.

CONCLUSION

- Over-centralization causes **blood pressure at the Centre & anemia at the periphery**.

Subtopic: Union Territory

Card 1: DELHI GNCTD / NCT ORDINANCE ISSUE

QUOTE

"Cooperative federalism envisages that Centre & States must iron out their differences through negotiation & conciliation." — SC

INTRODUCTION

- Recently **Delhi Services Bill** passed as per powers conferred under **Art. 239AA(3)(b)** — Parliament can frame laws beyond 3 matters in any List.
- **Govt of NCT Delhi vs UOI:** Delhi Govt has legislative & administrative powers; triple chain of collective responsibility; in absence of law/constitutional provision, CG powers extend only to 3 areas (land, police, public order).

Card 2: Delhi GNTD (Ordinance)

INTRODUCTION

- Recently **Delhi Services Bill passed** as per powers conferred under **239AA(3)(b)** - Parl can frame laws beyond 3 matters in any list.
- **Govt of NCT Delhi vs. UOI:** Delhi Govt has legislative & administrative powers (triple chain of collective resp).

CONCLUSION

- SC: **Cooperative federalism** envisages that C&S must iron out their differences through negotiation & conciliation.

Section Group: Organs of Government & Dispute Redressal

Microtopic: Parliament and State Legislatures - structure, functioning, conduct of business, powers & privileges and issues arising out of these

Subtopic: Bicameralism

Card 1: RAJYA SABHA

QUOTE

"RS may be the second house but no one should think of it as a secondary house." — ABV

DATA

- **40%** of time lost in disruptions.
- Sachin Tendulkar attendance: 24 out of 374 days.
- Only **3 joint sittings** in 60 years.

INTRODUCTION

- **Rajya Sabha (Art. 80)** is the second chamber representing the **states and union territories**.
- Ambedkar was in RS.
- **Kuldeep Nayar vs UOI**: Duplication with LS raised.

CONCLUSION

- From "**useless stepney tyre**" to "**most useful supporting organ**" in recent past.
- **UK model**: Appointments committee selects nominated members.
- **Punchhi Commission**: Domicile requirement + equal representation for states.

Card 2: LEGISLATIVE COUNCIL (VIDHAN PARISHAD)

INTRODUCTION

- India has a bicameral system both at Centre & states. **Vidhan Parishad** = upper house of states; **Vidhan Sabha** = lower house.
- **Art. 169** — creation & abolition of State Legislative Councils (TUMBAK states).
- New resolutions from Andhra Pradesh, Odisha, Rajasthan.

CONCLUSION

- Give powers similar to Rajya Sabha & formulate a **national plan for creation & abolition** of State Legislative Councils.

Subtopic: Parliamentary Committees

Card 1: PARLIAMENTARY COMMITTEES

QUOTE

"Parliamentary committees bridge the gap between lawmakers and citizens, translating aspirations into effective governance." — P. Chidambaram

INTRODUCTION

- A parliamentary committee is a panel of MPs appointed to bring:
 - **Meticulous parliamentary surveillance** over executive action and deliberative democracy
 - **Constructive feedback** & checks and balances
 - **Consultation** with stakeholders
 - **Convergence** of diverse viewpoints

CONCLUSION

- **4 Cs** — (Consultation, Convergence, Checks & Balances, Constructive feedback).

Subtopic: Parliamentary Privileges

Card 1: PARLIAMENTARY PRIVILEGES

INTRODUCTION

- **Special immunities or concessions** enjoyed by legislators individually & the House collectively (**Art. 105, 194**) to facilitate their work.
- **Searchlight Case:** Judicial Review not applicable.
- **Raja Ram Pal Case:** Protection not applicable to unconstitutional acts.

CONCLUSION

- **NCRWC** favoured **codification** by an independent body of experts in an open-ended manner + strengthening of Privileges Committee.

Subtopic: Presiding Officers

Card 1: SPEAKER of LOK SABHA

QUOTE

"In a parliamentary democracy, the speaker represents the dignity & freedom of the house." — Nehru

- N Sanjeeva Reddy & Somnath Chatterjee — "build a healthy convention by appointing persons with integrity."
- **Dinesh Goswami Committee:** 2nd term uncontested.

INTRODUCTION

- **Constitutional and ceremonial head of the LS** under **Art. 93**, tasked with presiding over the day-to-day functioning of the House.
- **Context:** MH Speaker accused; MN SLA Speaker — no decision on defection; KA Speaker — did not accept resignation of ruling party MLAs; TS MP used pepper spray in LS.
- **Megha Chandra Singh vs MN Assembly:** Take decision within reasonable time.

Subtopic: Role of MPs

Card 1: PARLIAMENT (GENERAL)

INTRODUCTION

- **Parliament (Part 5 — Art. 79–123)** is the **bicameral legislative organ** under the parliamentary/"Westminster" form of government adopted by India.
- **Lower house — Lok Sabha (Art. 81).**

CONCLUSION

- Need to transform Parliament from a forum for "**adversarial combat with politics focus**" to "**deliberative democracy with policy focus**."
- **NCRWC:** Minimum **120/100 days** of sitting.

DATA

- PSC reference: Women MPs from **27% (15th LS) → current**.
- **Question Hour:** 47% used in 19th LS; 40% questions unanswered.
- **Sittings:** 150 days (1950) → 67 days (2014-19).
- **Money Bills:** 6/year → 11/year.
- **16th LS Disruptions:** 19% of scheduled time lost.
- **Women MPs:** 15%.
- **MPs with criminal records:** 30% (2009) → 43% (2013).
- **Cost of disruptions:** ₹2.5 lakh per minute.

Microtopic: Pressure groups and formal/informal associations and their role in the Polity

Subtopic: Informal associations and their role in polity

Card 1: MEDIA & PRESS FREEDOM

QUOTE

"A free press should neither be an ally nor an adversary but a constructive critic." — Gandhiji

BJ VERGHESE COMMITTEE

- **Windhoek Declaration:** Promote independent press and pluralism.

INTRODUCTION

- **Context:** *Madhyamam Broadcasting Ltd case* — SC quashed ban on MediaOne TV: "Homogenised views on issues pose grave dangers to democracy."
- **2 Pluralisms of Press:**
 - **Internal pluralism** — airspace for marginalized sections
 - **External pluralism** — plurality of news suppliers (e.g., Corporatisation)

Card 2: SOCIAL MEDIA

QUOTE

"Social media is a double-edged sword." — Noam Chomsky

DATA

- **82 Cr active internet users (IAMAI 2024).** NITI Aayog: gig workforce projected to expand to **2.35 crore** by 2029-30.

INTRODUCTION

- Apps/websites that allow creation and exchange of **user-generated content**. **3 Cs** — Conversations, Community, Connectedness.
- **IT Rules 2021:** Traceability, due diligence by Social Media companies — **soft-touch regulation**.
- **Keywords:** Digital un-democracy, Surveillance capitalism, Cyber marginalization, Doom scrolling, Phubbing, E-mental health.

Subtopic: Pressure Groups

Card 1: Role of Pressure Groups and Associations

QUOTE

"In democracy, even silence can organise into influence." — Granville Austin

INTRODUCTION

- A gradual shift from farmer unions to digital advocacy groups, informal networks shape policy expanding democracy from Jan Andolan to Jan Nirnay.

EXAMPLES

- NCW worked with CSOs for anti-cyberbullying framework
- Startup associations influenced DPIIT's regulatory sandbox policies
- Farmers' collectives engaged with MSP reform committee

CONCLUSION

- Democracy thrives when institutions listen beyond offices to voices in forums, movements, and feedback platforms.

Card 2: Pressure Groups

INTRODUCTION

- An **organized group** which aims to influence the policies or actions of government.

CONCLUSION

- Need to move towards promotion of more **broad based, inclusive & Institutionalised** Pressure Groups to deepen participative democracy in India.

Microtopic: Separation of powers between different organs

Subtopic: Executive Vs Judiciary

Card 1: JUDICIAL ACTIVISM & OVERREACH

INTRODUCTION

- **Activism** = Judicial action in public interest when Exec & Legislature fail to step in, as per court's **guardian ethic** (Ex: Vishakha Guidelines).
- **Overreach** = Breaching SOP through overt interference in Exec/Legislature domain, supplanting them.

CONCLUSION

- **Premchand Garg Case:** Supplement, not supplant — hold accountable rather than stepping in unless absolutely necessary.

Subtopic: Separation of Powers

Card 1: Separation of Powers and Dispute Redressal

QUOTE

"No organ can claim supremacy, only harmony." — Justice R.F. Nariman

INTRODUCTION

- India's democracy is safeguarded by a calibrated separation of powers, where checks and balances ensure that **Samvaad, not Sangharsh**, defines institutional relations.

EXAMPLES

- SC ruling upheld tribunal independence in GST Appellate Tribunal setup
- Lokpal released its first digital annual report
- Ministry of Law proposed mediation bill reforms

CONCLUSION

- Checks and balances need constant tuning to preserve constitutional equilibrium.

Card 2: SEPARATION of POWERS

QUOTE

"Separation of Powers is essential for constitutionalism." — Coelho Case

INTRODUCTION

- Division of **Legislative, Executive, Judicial** functions to limit arbitrary excesses by any one organ (**Art. 50**).
- Kesavananda Bharati & Indira Gandhi vs Raj Narain**: SOP is part of **Basic Structure**.

Microtopic: Structure, organization and functioning of the Executive

Subtopic: Union Executive

Card 1: Ministries and Departments of the Government

QUOTE

"A government is only as good as its coordination." — NITI Aayog Strategy Document

INTRODUCTION

- Ride from **Viksit Bharat Sankalp Yatra** to integrated dashboards, ministries are moving from **silos to synergy**, enabling evidence-based governance and citizen-centric service delivery.

EXAMPLES

- MEITY integrated grievance redress with CPGRAMS 3.0
- MoLE linked e-Shram with PM-SVANidhi database
- MoSPI aligned ministry KPIs with SDG targets

CONCLUSION

- Seamless service delivery demands convergence—of data, design, and development thinking across ministries.

Card 2: ORDINANCES (Art. 123 & 213)

INTRODUCTION

- **Art. 123 & 213** grant extraordinary law-making power to **President/Governor** to promulgate ordinances when Legislature is in recess, to deal with unforeseen circumstances.
- **DC Wadhwa Case.**
- **Krishna Kumar Singh Case:** Court can question the wisdom & reverse the acts — not absolute power.

CONCLUSION

- **NCRWC:** President must exercise caution & use only in special circumstances; reduce review period from **6 weeks to 1 week.**

Card 3: OFFICE of PROFIT (OOP)

INTRODUCTION

- **Art. 102, 191** provide for disqualification of MPs/MLAs for holding **OOP** under govt, except certain offices declared under **OOP Act 1959.**
- **Pradyut Bordoloi vs Swapam Roy:** SC outlined what constitutes OOP.
- **Jaya Bachchan vs UOI:** Even if capable of yielding profit/pecuniary gain, even if not actually recovered.
- Specialists get chance — e.g., Atishi Marlena (Educator joined for ₹1).

CONCLUSION

- **UK BP:** Whenever any new office comes up, committee decides pro-actively.
- **Joint committee on OOP** — whether office qualifies as OOP or not.
- **2nd ARC:** Offices involved in executive decision-making, controlling public funds etc.

Section Group: Development Processes & Policies

Microtopic: Development processes and the role of NGOs, Civil Society, and various groups

and associations

Subtopic: Civil Society

Card 1: Development Industry & Processes

QUOTE

"Development is a partnership not charity."

INTRODUCTION

- **NGOs, SHGs, and CSOs** are no longer peripheral they're **last-mile multipliers**, increasingly integrated into schemes like Aspirational Blocks Programme and Mission Antyodaya for community-led governance.

EXAMPLES

- MoRD partnered NGOs for cluster facilitation in SHG schemes
- FSSAI engaged CSOs in Eat Right India campaign
- Tribal Ministry scaled Van Dhan Vikas Kendras through SHGs

CONCLUSION

- When civil society and state co-create, development becomes durable, inclusive, and democratic—from policy drafting to service delivery.

Card 2: Social Capital & Community Development

QUOTE

"Communities are not beneficiaries they are architects of change." — Ministry of Rural Development

INTRODUCTION

- From SHGs to community kitchens, India's welfare landscape thrives when people co-create outcomes. Articles 40 & 243 and SDG 11 (inclusive communities) underline the strength of decentralised, participatory models.

EXAMPLES

- DAY-NRLM mobilised 9 crore SHG women for nutrition and sanitation drives
- Aspirational Blocks Programme adopted localised metrics through community dashboards
- Ministry of Tribal Affairs promoted Van Dhan Vikas Kendras as community enterprises

CONCLUSION

- When communities lead, governance transforms from delivery to dignity.

Card 3: Ngos / CIVIL SOCIETY

QUOTE

"NGOs are sine qua non for a healthy democracy as they ensure 'Sarve bhavantu sukhinah, sarve santu niramaya' (may everyone be happy)."

"If we want any significant development, we must co-opt civil society." — Nelson Mandela

INTRODUCTION

- **Voluntary associations** of public-spirited individuals for **altruism and public service**.
- NGOs — informal agents of society that provide **propulsion for the formal democratic system**.

Card 4: Non-governmental Organizations (Ngos)

QUOTE

"If we want any significant development, we must Co-opt civil society" — Nelson Mandela

INTRODUCTION

- **Voluntary associations** of public-spirited individuals for altruism and public service.
- Informal agents that provide propulsion for the formal democratic system.

CONCLUSION

- NGOs are a **sine qua non** for a healthy democracy (ensuring "sarve bhavanthu sukhinah").
- Need for the **3 Cs**: collaboration, compassion, collective responsibility.

Microtopic: Government Policies & Interventions for development of various sectors (issues in

their design, implementation)

Subtopic: Government Schemes and Policies

Card 1: Government Policies and Interventions

QUOTE

"Policies must not only target growth, but must also engineer inclusion." — Amartya Sen

INTRODUCTION

- Path from Jan Dhan to Jal Jeevan, government interventions have evolved from entitlement delivery to mission- mode outcomes embodying Antyodaya and **"Minimum Government, Maximum Governance"** through tech- driven, targeted schemes.

EXAMPLES

- NITI Aayog released '**Viksit Bharat @2047**' policy vision documents
- MoRD upgraded DAY-NRLM with AI-powered monitoring
- MoHFW launched dashboard for PM-ABHIM convergence

CONCLUSION

- Development policy must pivot from expenditure to empowerment— backed by citizen data, local feedback, and outcomes, not outlays.

Card 2: Government Policies & Implementation Challenges

QUOTE

"Good policies fail with bad implementation; bad policies fail faster." – Second ARC

INTRODUCTION

- India's policy architecture is increasingly ambitious—Digital India, Skill India, Swachh Bharat—but delivery lags stem from fragmented coordination, capacity gaps, and evaluation blind spots.

EXAMPLES

- PRAGATI flagged inter-ministerial delays in housing convergence
- CAG found fund diversion in rural skilling under DDU-GKY
- NeGD launched unified digital dashboards for scheme tracking

CONCLUSION

- Implementation must become the new reform through capacity audits, citizen feedback loops, and fiscal accountability.

Card 3: GOVERNMENT SCHEMES (COMMON FRAMEWORK)

QUOTE

"Most of our problems are due to poor implementation, wrong priorities and unattainable targets." — JRD Tata

SCHEME-RELATED ISSUES

- Targeted Beneficiary Identification:** Inclusion/exclusion errors; low awareness.
- Formulation:** One-size-fits-all; top-down ignoring LSG; low community & civil society participation; multiplicity/convergence/jurisdiction overlap.
- Capacity (3F):** Funds (low outlay/underutilization); Functionaries (trained, committed staff); Functions (low coverage); Infrastructure deficit.
- Implementation:** Corruption/leakages; poor quality; poor GRM; red tape & bureaucratic delay; socio-cultural barriers.
- Post-Implementation:** Poor monitoring/midcourse correction; Solution: Tech, local self-govt, ART.

CONCLUSION

- (Use scheme-specific conclusions + SDG references from Social Justice section)

DATA

- (Scheme-specific)

INTRODUCTION

- Effective implementation** requires holistic coordination and an effective monitoring ecosystem.

Card 4: ASPIRATIONAL BLOCK PROGRAMME (ABP)

INTRODUCTION

- **ABP** was launched in 2023 Budget; based on **Aspirational Districts Programme (ADP)**; aimed at improving performance of **blocks lagging in various developmental parameters**.

CONCLUSION

- **Progressive decentralisation** and **effective targeting of schemes** is leading to inclusive and effective governance.

Card 5: Template 1: GOVERNMENT SCHEME (GENERIC)

QUOTE

"Most of our problems are due to poor implementation, wrong priorities and unattainable targets." — JRD Tata

CONCLUSION

- (Scheme-specific — use SDG reference + Art. 38/47 framework)

INTRODUCTION

- _____ **scheme** was introduced in _____ to _____.
- Effective implementation of the scheme requires **holistic coordination** and an **effective monitoring ecosystem**.

Card 6: Aspirational Block Program (ABP)

INTRODUCTION

- ABP was launched in 2023 budget; based on ADP; aimed at improving the performance of blocks lagging in various developmental parameters.

CONCLUSION

- **Progressive decentralisation** and effective targeting of schemes is leading to inclusive and effective governance.

Microtopic: Role of Self Help Groups (SHGs) and microfinancing in development activities

Subtopic: SHGs

Card 1: Development Industry: NGOs, SHGs

QUOTE

"The development sector is not third sector it is the frontline of inclusive governance." – Abhijit Banerjee

INTRODUCTION

- **SHGs as engines of rural finance** to **NGOs as policy bridges**, the "**samaj sarkar bazaar**" triad now shapes last-mile development. Trust and transparency define the legitimacy of this development ecosystem.

EXAMPLES

- DAY-NRLM linked SHG product sales with GeM portal
- NITI Aayog released voluntary sector index to rank NGO governance
- MoTA engaged NGOs under FRA capacity-building in forest villages

CONCLUSION

- Stakeholder-led governance thrives when regulation empowers and partnerships democratise delivery—from tokenism to trust.

Card 2: SELF HELP GROUPS (Shgs)

QUOTE

"Govt aims to create unicorns among SHGs."

"SHGs need to be transformed into National Help Groups."

INTRODUCTION

- **Small community-based organisations** formed by individuals with common socio-economic goals, aimed at fostering **financial inclusion, skill development, and collective empowerment**.

CONCLUSION

- SHGs — "**untapped powerhouse of enterprise**; high-potential groups for social good."

Microtopic: Role of donors, charities, institutional and other external stakeholders

Subtopic: Donor Agencies

Card 1: Social Stock Exchange & Philanthropy

QUOTE

"Markets can fund change when trust meets transparency." — SEBI Chairperson

INTRODUCTION

- The Social Stock Exchange (SSE) bridges capital and compassion transforming CSR into community impact and aligning with SDG 17 on partnerships and Article 38's directive for social justice.

EXAMPLES

- SEBI accredited first Not-for-Profit Organizations (NPOs) under SSE in Mumbai
- CSR 2.0 guidelines aligned disclosure norms with SSE framework
- Ministry of Corporate Affairs launched impact reporting standards for social enterprises

CONCLUSION

- Philanthropy must become structured, scalable, and strategic SSE is India's leap toward finance with a conscience.

Card 2: DONOR AGENCIES & CHARITIES

INTRODUCTION

- **Donor agencies** — institutions (local, national, or international) that provide **financial and technical assistance** to support development initiatives.
- **Charities** — NPOs driven by altruism, focusing on philanthropic activities for underserved communities.

CONCLUSION

- The spirit of **collaboration, compassion and collective responsibility** to create a world where every individual can thrive, regardless of their circumstances.

Card 3: Donor and Charities

INTRODUCTION

- **Donor agencies** are institutions providing financial and technical assistance to support development.
- **Charities** are NPOs driven by altruism, focusing on philanthropic activities for underserved communities.

CONCLUSION

- Fosters the spirit of **collaboration, compassion, and collective responsibility** to create a world where every individual can thrive.

SOCIAL JUSTICE

Section Group: Poverty & Hunger

Microtopic: Issues and Challenges relating to Poverty & Hunger

Subtopic: Hunger

Card 1: Poverty and Hunger

QUOTE

"Poverty is the worst form of violence." – Mahatma Gandhi

INTRODUCTION

- India's tryst with poverty now hinges on multidimensionality beyond income to health, nutrition, dignity, and access. The journey from food security to nutrition security needs policy stamina and community ownership.

EXAMPLES

- NITI Aayog released Multidimensional Poverty Index showing major rural improvements
- MoWCD digitised ICDS under Poshan Tracker with real-time nutrition dashboards
- NFSA coverage updated using Aadhaar-enabled dynamic exclusion

CONCLUSION

- Hunger must end not with handouts, but with holistic dignity through data-led targeting and nutrition-sensitive development.

Card 2: HUNGER & FOOD SECURITY

INTRODUCTION

- India ranks **102/123 in the Global Hunger Index (2025)**.

CONCLUSION

- "**Sahi Poshan, Desh Roshan.**"

DATA

- India: **102/123 in the Global Hunger Index (2025)**.

Subtopic: Poverty

Card 1: Issues of Poverty and Hunger

QUOTE

"Poverty anywhere is a threat to prosperity everywhere." — ILO Declaration

INTRODUCTION

- From targeted PDS to Poshan Tracker, poverty policy is moving beyond calorie count towards nutrition security, asset access, and dignity of living.

EXAMPLES

- NFSA portal integrated with Aadhaar seeding and real-time ration tracking
- MoWCD updated Poshan Tracker with regional dashboards
- SECC data revision initiated for better poverty targeting

CONCLUSION

- Eradicating poverty isn't just about income uplift it's about giving citizens a platform for mobility, dignity, and resilience.

Card 2: Urban Poor and Informal Workers

QUOTE

"Cities must work for the ones who build them." — UN-Habitat

INTRODUCTION

- The urban poor, powering India's growth, face structural exclusion livelihood schemes under DAY-NULM and rights under Article 43 must translate to stable housing, health, and dignity for informal workers and migrant labour.

EXAMPLES

- MoHUA linked PM SVANidhi with skilling under Skill India Mission
- e-Shram database integrated with insurance under PMSBY
- NITI Aayog's gig economy report recommended social security code implementation

CONCLUSION

- A resilient India must build cities for all not just smart cities, but just cities.

Card 3: POVERTY

QUOTE

"Unleash the power of the poor & there will be no poverty. Hence need for capacity building & gainful employment." — Mohammed Yunus

"Overcoming poverty is not a gesture of charity, but an act of justice." — Nelson Mandela

DATA

- **11.28% national multidimensional poverty average (NITI Aayog MPI).**
- Over **24.82 crore people escaped multidimensional poverty** over the last 9 years.

INTRODUCTION

- **Poverty** = Any deprivation that prevents you from **achieving your true potential**.
- MPI figure: **11.28% (NITI Aayog MPI)**.
- Over **24.82 crore people escaped multidimensional poverty** over the last 9 years.

Section Group: Social Sector & Human Development

Microtopic: Social Sector & Services: Issues relating to Development & Management of

Health, Education & Human Resources

Subtopic: Education

Card 1: Digital Inclusion as a Social Equaliser

QUOTE

"Bridging the digital divide is the new freedom struggle." — PM's Digital India Mission

INTRODUCTION

- Digital inclusion isn't just tech access it's about dismantling caste, gender, and rural divides in opportunity. Article 21A's right to education and SDG 9 (industry, innovation, infrastructure) converge in schemes like PM-WANI and BharatNet.

EXAMPLES

- MoE launched National Digital University targeting underserved learners
- MeitY expanded PMGDISHA (Digital Literacy Mission) to remote blocks
- UDISE+ data integrated internet access indicators in school rankings

CONCLUSION

- Tech is the new tool of social mobility digital Bharat must mean dignified Bharat.

Card 2: EDUCATION

INTRODUCTION

- (To be filled)

CONCLUSION

- Future of Education is **Education 4.0** focused on **21st Century skills & 4 Cs** — Critical thinking, Communication, Collaboration, Creativity.
- **NEP** can become a **game changer** — India as a hub of **Global Capability Centres**.
- **Female education**: MMR can reduce to **1/2** by ensuring secondary education for mothers.

DATA

- **6 million out-of-school children** — 75% from marginalized sections.
- 1 extra year of school = **+10% income (males), +20% income (females)**.
- India loses **\$17 billion annually** to brain drain (ASSOCHAM).

Subtopic: Health

Card 1: HEALTH

INTRODUCTION

- (Sector-specific data to be added)

CONCLUSION

- **Integrated life cycle approach** from "clinic to community" + **One Health approach**.
- **Sugg — 5 Ps**: Prevention, Primary health, Public investment, Planetary Health, Patient-centric value-based healthcare.
- **"Swasth Bharat, Samriddh Bharat."**

Card 2: MENTAL HEALTH

INTRODUCTION

- **UNICEF 2021 Report**: Every **1 in 7 youths (15-24 years)** reported mental health issues (**UNICEF 2021**); post-pandemic data shows a further **25% global increase** in prevalence of anxiety and depression (WHO).

CONCLUSION

- **TELE MANAS Initiative** — national tele mental health programme.

DATA

- **1 in 7 youths (15-24 years) affected (UNICEF 2021)**; post-pandemic data shows a further **25% global increase** in prevalence of anxiety and depression (WHO).

Subtopic: Human Resources

Card 1: Development of Health, Education, HR

QUOTE

"An educated, healthy population is not a burden it is the foundation of any civilised society." – Amartya Sen

INTRODUCTION

- Health and education now define not just HDI, but national competitiveness. NEP 2020 and Ayushman Bharat mark a shift from input-based models to outcome-led, equity-centered human capital strategies.

EXAMPLES

- NMC implemented guidelines for family physicians under Ayushman Bharat Digital Mission
- NCERT launched National Mission for Foundational Literacy and Numeracy
- NTA introduced regional language parity for CUET to improve inclusivity

CONCLUSION

- Human capital must be nurtured as a public good—through universal access, inclusive quality, and responsive innovation.

Subtopic: Miscellaneous (Social Sector)

Card 1: Social Sector: Health, Education, HR

QUOTE

"Human development is the true index of national strength." — UNDP HDR

INTRODUCTION

- Health and education are no longer welfare add-ons they're strategic investments, now steered by Ayushman Bharat Digital Mission and NEP 2020 for holistic human capital.

EXAMPLES

- MoE rolled out UDISE+ AI dashboard for learning outcomes
- MoHFW scaled digital health IDs under ABDM
- NITI Aayog launched National Health Stack Sandbox

CONCLUSION

- Transforming people into productive citizens needs convergence of welfare, workforce planning, and digital public goods.

Card 2: SOCIAL JUSTICE — COMMON FRAMEWORK

INTRODUCTION

- **Data** (sector specific).
- **O ACS:** Voice, Choice.

CONCLUSION

- **SDG references:** SDG 1 (Poverty), SDG 2 (Hunger), SDG 3 (Health), SDG 4 (Education), SDG 5 (Gender Equality), SDG 16 (Inclusive societies, effective & accountable institutions).
- **Art. 47** — duty to raise level of nutrition, Standard of Living & public health.
- **Art. 38** — welfare state, socio-economic-political justice; minimising inequalities.
- **Sapt Rishi** — leveraging full potential & ensuring inclusive growth.
- "To leverage full potential of India's **human capital**, the engine of India's **Amritkaal**."
- "**Sabka Saath, Sabka Vikas**."

DATA

- (Sector-specific)

Section Group: Vulnerable Sections & Welfare

Microtopic: Welfare Schemes (Vulnerable Sections): Performance, Mechanisms, Laws, Institutions & Bodies

Subtopic: Children

Card 1: Child Welfare and Juvenile Justice

QUOTE

"Every child we fail is a future we weaken." — UN CRC Framework

INTRODUCTION

- Child welfare is the litmus test of a just society. Anchored in Article 39(e)(f), Juvenile Justice (Care and Protection of Children) Act and SDG 16.2 (end abuse, exploitation) together shape India's child-centric legal architecture.

EXAMPLES

- NCPCR launched Baal Swaraj portal for tracking orphaned and abandoned children
- MWCD integrated Child Helpline 1098 with Emergency Response Support System (ERSS)
- Juvenile Justice Act amended to streamline role of DMs in child adoption

CONCLUSION

- Justice for children must be preventive, rehabilitative, and rights-based—not just a system, but a safety net.

Subtopic: Disabled

Card 1: Disability Rights and Accessibility

QUOTE

"Inclusion is not a favor, it's a constitutional promise." — RPwD Act, 2016

INTRODUCTION

- True accessibility lies in making **Article 41 and SDG 10** operational through accessible infrastructure, digital tools, and equal opportunity ensuring **India's 2.2% disabled population lives with dignity, not dependency**.

EXAMPLES

- Sugamya Bharat App integrated grievance redress for disabled
- UDI (Unique Disability ID) platform made Aadhaar-compliant
- SC directed accessible exam formats for visually impaired UPSC aspirants

CONCLUSION

- Disability inclusion must rise from assistance to agency enabling full societal participation.

Subtopic: Efficacy of Welfare and Development Schemes

Card 1: Welfare Schemes for Vulnerable Sections

QUOTE

"The test of good governance is how it treats its weakest citizens." — Mahatma Gandhi

INTRODUCTION

- Be it SC/ST scholarships or PM-Vishwakarma, India's welfare focus has shifted from identity alone to intersectionality merging social justice with skill, dignity, and digital access.

EXAMPLES

- MoTA digitised scholarship disbursement via DBT stack
- MoLE launched gig worker welfare registry pilot
- MoWCD expanded Sakhi One-Stop Centres

CONCLUSION

- Empowerment lies not in benefits alone but in building capability, choice, and dignity for the most marginalised.

Card 2: Welfare Schemes for Vulnerable Sections

QUOTE

"The test of our progress is not whether we add to the abundance of those who have much, but whether we provide enough for those who have little." – Franklin D. Roosevelt

INTRODUCTION

- Targeted welfare today is not just about doles but dignity via DBT, JAM trinity, and saturation-based coverage under "Antyodaya to Atmanirbharta." The social contract now runs through digital rails and grassroots reach.

EXAMPLES

- MoSJ&E expanded UDID portal with real-time scheme convergence for PwDs
- MoTA integrated Van Dhan Yojana with ONDC for tribal market access
- Rural Development Ministry geo-tagged PMAY-G assets to reduce leakages

CONCLUSION

- Welfare must evolve into empowerment rooted in rights, refined by tech, and responsive to voices from the margins.

Card 3: Constitutional and Institutional Measures

QUOTE

"The Constitution is a transformative document it enshrines not charity but rights." – Justice Indu Malhotra

INTRODUCTION

- Institutional justice is delivered not just in courts but in commissions, reservations, and rights-based legislations that breathe life into **Articles 15, 16, 17, and 39**. The challenge now lies in credible enforcement.

EXAMPLES

- NCBC flagged irregularities in creamy layer implementation across states
- NCPDR partnered with NALSA on juvenile justice capacity-building
- SC upheld 10% EWS quota citing reasonable classification under Art. 15(6)

CONCLUSION

- Laws without empathy and institutions without teeth serve neither equity nor efficiency. Accountability must drive the rights architecture forward.

Card 4: Transgender Rights & Inclusion

QUOTE

"Everyone has the right to be who they are, without apology." — Supreme Court (NALSA, 2014)

INTRODUCTION

- Transgender justice is more than legal recognition—it's social acceptance through rights, dignity, and delivery. Acts like the Transgender Protection Act and schemes like SMILE move us closer to Nyay, not just Kanoon.

EXAMPLES

- Garima Greh shelter homes expanded to all state capitals
- National Portal for Transgender Persons enabled self-ID and benefits access
- UGC mandated trans-inclusion policies in all central universities

CONCLUSION

- Trans justice must move from margins to mainstream—led by empathy in law, equity in policy.

Card 5: Intersectionality in Social Justice

QUOTE

"Justice is not blind it must be deeply seeing." — Kimberlé Crenshaw

INTRODUCTION

- Social justice cannot be one-dimensional. Caste, gender, disability, and region intersect to deepen marginalisation. Article 15 and SDG 10 (reduce inequalities) demand policy lenses that are layered, not linear.

EXAMPLES

- Transgender persons included in Ayushman Bharat coverage
- SC directive ensured hostel access for disabled women in public universities
- NITI Aayog advocated intersectional approach in nutrition strategy

CONCLUSION

- True justice isn't uniform it is tailored to complexity, designed for inclusion.

Card 6: VULNERABLE SECTIONS — COMMON CONCLUSION

INTRODUCTION

- (Sector and scheme specific)

CONCLUSION

- **Ambedkar's mantra:** "EAO — Educate, Agitate and Organise."
- Need to reform from Darwinian "**survival of the fittest**" to "**survival of the weakest**" — **Antyodaya**.
- **Art. 38** — welfare state.

Card 7: Social Justice & Welfare (Common Intro/conclusion)

INTRODUCTION

- Frameworks revolve around **Voice & Choice** and leveraging full potential ensuring **inclusive growth**.

CONCLUSION

- Engine of India's Amritkaal relies on **Sabka Sath Sabka Vikas**.
- Grounded in **Art 47** (duty to raise nutrition, SOL & public health) and **Art 38** (welfare state, social economic political justice).
- Links to **SDG 1 (poverty)**, **2 (hunger)**, **3 (health)**, **4 (education)**, **5 (gender equality)**, **SDG 16 (Inclusive societies)**.

Card 8: Vulnerable Sections (Laws & Bodies)

QUOTE

"EAO - Educate, Agitate and Organise" — B.R. Ambedkar

INTRODUCTION

- Need to reform from Darwinian "survival of fittest" to "**survival of the weakest**" or **Antyodaya**.

CONCLUSION

- Must ensure constitutional ideals under **Art 38**.

Subtopic: Women

Card 1: Gender Budgeting & Feminist Policy

QUOTE

"A budget tells us what we value as a society." — UN Women

INTRODUCTION

- Gender budgeting isn't about separate allocations for women it's about shaping public finance through the lens of Article 15(3) and SDG 5, ensuring schemes like **Beti Bachao Beti Padhao** and **Mission Shakti** reflect real inclusion, not tokenism.

EXAMPLES

- Ministry of Finance issued revised Gender Budget Statement 2024 with performance tracking
- State Gender Budget Cells activated in Rajasthan and Tamil Nadu
- NITI Aayog's Women's Economic Empowerment Dashboard launched for gender-sensitive planning

CONCLUSION

- Empowered women drive inclusive GDP—gender budgeting must shift from form to force in policymaking.

INTERNATIONAL RELATIONS

Section Group: Global Geopolitics & Indian Diaspora

Microtopic: Global Policies & Politics: Effect of Policies & Politics of Developed & Developing Countries on India's Interests

Subtopic: Energy X Foreign Policy

Card 1: ECONOMIC DIPLOMACY

INTRODUCTION

- **Economic diplomacy** = Use of **diplomatic skills with economic tools** to advance a country's objectives.
- Using ____ **diplomacy** enables use of expertise in the ____ field to advance the country's **strategic interest**.

CONCLUSION

- Economic diplomacy should look for **balance between competition and cooperation** at the global level, driven by **concerted efforts at home**.
- **5Ts** — Talent, Tradition, Technology, Tourism and Trade — new areas of focus by Indian embassies.

Card 2: Template 6: _____ DIPLOMACY (SECTORAL)

INTRODUCTION

- Using ____ diplomacy enables use of expertise in the ____ field to advance the country's **strategic interest**.

CONCLUSION

- **5Ts**: Talent, Tradition, Technology, Tourism and Trade — new areas of focus by Indian embassies.

Subtopic: Geo-politics affecting India's Interest

Card 1: Effect of Policies and Politics

QUOTE

"In a globalised world, even sovereignty is influenced by decisions abroad." — Foreign Policy White Paper

INTRODUCTION

- In a polycrisis world, decisions in Washington, Brussels or Beijing reverberate in New Delhi. Be it digital protectionism, tech decoupling, or climate finance, India must decode global shifts and align interests with agility, sovereignty, and strategic depth.

EXAMPLES

- EU's CBAM policy raised India's carbon trade concerns
- US CHIPS Act prompted India's semiconductor collaboration push
- China's rare-earth export control spurred India-Australia critical minerals pact

CONCLUSION

- India's external strategy must combine foresight with resilience to shield sovereignty while shaping the global commons.

Card 2: India's FOREIGN POLICY

QUOTE

"FP is an exercise of forging convergences and managing divergences." — S. Jaishankar

ART. 51

- **SSM** — "**Minimaxing**" — minimizing harms and maximizing gains.

CONCLUSION

- Emergence of **global heteropolarity** coupled with India's energetic diplomacy paves way for India to be a **Vishwaguru**.
- "**There are no permanent friends and no permanent foes; only interests are permanent.**"
- New challenges force us to **adapt to new realities**.

INTRODUCTION

- Indian foreign policy is a complex blend of **strategic autonomy** and **omnidirectional diplomatic engagement**, aiming to safeguard national interests and promote global stability through a **balanced approach**.

Card 3: India's CHANGING STATURE / ROLE in WORLD

INTRODUCTION

- 2020-21 saw many **transformational events** in the global sphere leading India to emerge as a **major swing state**.
- "India is part of both **global managers and the trade union**." — Vivek Katju
- "The world wants to be **seen with India**; wants to be heard."

CONCLUSION

- (India as Vishwamitra, voice of Global South.)

Card 4: CHANGING WORLD ORDER

QUOTE

"The world order is militarily unipolar, economically multipolar and politically confused." — Shiv Shankar Menon (SSM)

"In a world full of fault lines and rifts, we need to build a shared future." — Modi

"We are headed for a poorer, meaner and smaller world." — SSM

"Globalisation is irreversible." — Tony Blair

"India has entered a phase of energetic foreign policy where it is not anymore a passive recipient of global happenings." — S. Jaishankar

FEATURES OF CURRENT WORLD ORDER

- **Polycrisis**
- Two blocs — **3 Ts**: Trust deficit, Trade & Tech warfare, Treaties lacking
- Geopolitical & geoeconomic realignments — Friendshoring, De-Americanisation, NATOisation, New Great Game, Great Eurasian Partnership
- **Deglobalisation** — Economic unilateralism, trade lawlessness, economic nationalism, minilateralisation
- Security threats — Hypersonic weapons; **4th & 5th domain hybrid warfare** (cyber, space)
- **Thucydides Trap** — threat from emerging power
- **Kindleberger Trap** — global leadership vacuum; G-Zero
- Pacifist powers revival; middle powers as swing states; Tech & Big Tech companies challenging SUSI

INTRODUCTION

- The current world order is **without systemic equilibrium**, which is essential to the maintenance of international stability.

Card 5: Russia-ukraine CONFLICT

INTRODUCTION

- Russia-Ukraine war is increasingly becoming a **frozen conflict**.
- India is following **omnidirectional foreign policy** engaging with all stakeholders to ensure **strategic autonomy**.

CONCLUSION

- India can play the role of **mediator** — has good relations with both countries, providing India with an opportunity to **increase its global stature**.

Card 6: VOICE of GLOBAL SOUTH

QUOTE

"The era of leader and led is over." — PM Modi

"We want India to be an advocate for us & sit in meetings of the global high table."

"Global South expects India to play a stabilizing and bridging role, by derisking the global economy and depolarising the world." — S. Jaishankar

INTRODUCTION

- Recently hosted a special virtual summit — the **Voice of Global South Summit**.
- **Global South** = Countries of the southern hemisphere having **collective identities of colonization, exploitation and underdevelopment**.

Card 7: INDIAN OCEAN REGION (IOR) & Indo-pacific

QUOTE

"The Indian Ocean, with its critical sea lanes and vast reservoir of resources, will be a highway to prosperity and a theatre of rivalry." — C. Raja Mohan

INTRODUCTION

- The **IOR** stands as one of the most **strategically significant and economically dynamic** areas on the global stage.
- **Indo-Pacific** = Confluence of 2 seas — dynamic coupling of the **Indian Ocean and Pacific Ocean**; the new emerging **geopolitical theatre**.

Card 8: SOFT POWER

QUOTE

"In the information age, a nation's power is increasingly defined by its ability to influence as much as to militarily and economically dominate." — Shashi Tharoor

INTRODUCTION

- According to **Joseph Nye**, soft power is the ability to **shape the preference of others through appeal and attraction**.

Card 9: India's Changing Stature/role

QUOTE

"India is part of both global managers and the trade union" — Vivek Katju

INTRODUCTION

- 2020 and 2021 saw many transformational events leading India to emerge as a **major swing state**.

CONCLUSION

- The world wants to be seen with India and heard by India.

Microtopic: Groupings & Agreements: Bilateral, Regional & Global Groupings & Agreements Involving or Affecting India's Interests

Subtopic: Bilateral Relations

Card 1: Template 2: BILATERAL RELATIONS (GENERIC)

INTRODUCTION

- India & ____ relations are driven by **deep historical, cultural, geostrategic convergence** shaping the new geopolitical realities.

CONCLUSION

- India and ____ relations are **complementary** and both countries must leverage each other's strengths to foster **economic growth and development** and **balance China**.
- India and ____ are effectively constructing a **new partnership** to shape the regional order and not just simply accepting the current geopolitical situation.
- Africa:** Ubuntu philosophy — inclusive growth — universal bonding that connects all humanity.

Subtopic: Groupings beyond South Asia

Card 1: Bilateral, Regional and Global Groupings

QUOTE

"Strategic autonomy is not strategic isolation it is meaningful multialignment." — S. Jaishankar

INTRODUCTION

- India's ascent as a **Vishwa Mitra** hinges on dynamic bilateralism and purposeful multilateralism. From Quad's Indo-Pacific pivot to BRICS+ reform, India is recalibrating groupings not just for voice but for value, norms, and strategic hedging in a fluid global architecture.

EXAMPLES

- India chaired the Global South Summit to amplify LDC voices
- BRICS accepted new members with India pushing for expansion balance
- India and EU relaunched FTA negotiations under Trade and Tech Council

CONCLUSION

- India's group diplomacy must balance aspirations with agility where global stakes meet national interest.

Card 2: G20

INTRODUCTION

- India hosted the **18th G20 Summit in Delhi**, thereby taking leadership at a **critical time** when the world is facing polycrisis.

CONCLUSION

- Significance of G20 lies in its potential to shape **inclusive and balanced global growth** in an interdependent world.
- With India being the Chair of G20, India should take a **proactive role** in pushing for **reformed multilateralism** and act as the **voice of Global South**.

Card 3: BRICS

INTRODUCTION

- BRICS is a platform of **5 major emerging economies** representing:
 - ~49.5% of world population
 - 30% of world's territory
 - ~40% of global GDP (PPP)
 - ~26% of world trade (post-expansion in 2024/2025)

CONCLUSION

- BRICS+ framework** can be used to widen the "**circle of friends**" to enhance **South-South cooperation**.
- BRICS emerging as important arena for **rupee internationalisation** and development of alternate multilateral institutions like **CRA; NDB**.

DATA

- ~49.5% world population; ~40% global GDP (PPP); ~26% world trade (post-expansion in 2024/2025).

Card 4: QUAD

QUOTE

"Quad is a force for good." — PM Modi

INTRODUCTION

- **Strategic forum** comprising: **USA, Japan, India & Australia**, aimed at promoting **regional security and economic cooperation** in the **Indo-Pacific**.

CONCLUSION

- QUAD countries should deepen **economic and military cooperation** — not to provoke China, but to build capacity if the need arises.

Card 5: ASEAN

QUOTE

"Ample closeness between India's 'Indo Pacific Oceans Initiative' and ASEAN's 'Outlook on Indo Pacific'. A 'Cohesive and Responsive ASEAN' is essential for 'Security and Growth for All in the Region'." — PM Modi

INTRODUCTION

- ASEAN was established to **accelerate economic growth, social progress and cultural development** for a prosperous and peaceful community of Southeast Asian Nations.

CONCLUSION

- **Connecting the connectivities approach** + Commitment to multilateralism.

Subtopic: Groupings involving Immediate and Extended neighbours

Card 1: SCO (SHANGHAI COOPERATION ORGANISATION)

QUOTE

"We do not only see SCO as extended neighbourhood but as extended family." — PM Modi

INTRODUCTION

- **SCO** is a **permanent intergovernmental international organisation** aiming to maintain **peace, security and stability** in the region.

CONCLUSION

- India needs to maintain **strategic autonomy** and focus on revitalising connectivity projects (Ashgabat Agreement) and playing a constructive role in **Central Asia (CAR)**.

Card 2: Template 3: SAARC & BIMSTEC (REGIONAL GROUPING)

INTRODUCTION

- ____ is a **South Asian regional organisation** to promote ____ in the region.

CONCLUSION

- **C. Rajamohan:** 2-speed regionalism.

Microtopic: Indian Diaspora: Economic, Political & Social Impact of the Indian Diaspora

Subtopic: Indian Diaspora

Card 1: Role of Indian Diaspora

QUOTE

"Our diaspora is not just an asset it is an amplifier of Bharat's soft power." — PM Narendra Modi

INTRODUCTION

- The Indian diaspora is no longer just a bridge it's a **lever of diplomacy, technology transfer, and narrative-shaping**. From Silicon Valley boardrooms to Gulf labor corridors, overseas Indians are now strategic stakeholders in India's foreign engagement matrix.

EXAMPLES

- Pravasi Bharatiya Divas launched the Global Diaspora Startup Connect
- India-UAE labour mobility pact digitised welfare for blue-collar workers
- Diaspora diplomacy enabled faster evacuation from Sudan (Operation Kaveri)

CONCLUSION

- Engaging the diaspora must transcend celebration into co-creation of India's global aspirations.

Card 2: INDIAN DIASPORA

INTRODUCTION

- Indian diaspora = People **currently living outside India** (temporarily or permanently) who trace their origin to India (**NRI + OCI**).
- **Devesh Kapur — 4 Channels:** Prospects (brain gain through HE investment); Absence (high wages); Diaspora (social remittances); Return (increased human capital).
- **Long-distance nationalism.**

CONCLUSION

- **Parliamentary Committee:** Bring out a **policy document on diaspora** as guiding principle for deeper and wider engagement + expand scope of ICCR.
- **PP Chaudhary Committee:** Include the **vulnerable diaspora in PBD** (Pravasi Bharatiya Divas).
- **Emigration Bill 2021.**
- **4 Cs:** Connect, Celebrate, Care, Contribute.
- **PM:** Living bridge, Rashtrdoot (cultural ambassadors).
- **Initiatives:** Devi Shakti, Prabhas and Vajra, Madan Portal, PB Sahayata Kendra, SHADES portal for skill mapping.

DATA

- India has the **largest emigrant population** in the world.
- **\$120 billion remittances (World Bank 2023).**
- Examples: Natu Natu Oscar, Little India in Australia, Satya Nadella, Sundar Pichai, Mahendra Chaudhary (Fiji PM), 20 Indians in Biden admin.

Microtopic: International Institutions: Structure, Mandate & Functioning of Important Agencies

& Fora

Subtopic: United Nations and its Agencies

Card 1: Important International Institutions

QUOTE

"Global governance must evolve or it will erode." — Antonio Guterres

INTRODUCTION

- The post-war multilateral order faces a legitimacy deficit. As India aspires for Viksit Bharat@2047, its push for institutional reform from UNSC to WTO seeks to democratise global governance, ensuring that "rules-based order" is not code for status-quoism.

EXAMPLES

- India backed Global Digital Public Infrastructure Framework at G20
- UN Security Council reform pitch revived at South Summit chaired by India
- WTO negotiations saw India defend Global South on agricultural subsidies

CONCLUSION

- Reimagining institutions is not disruption it's inclusion, ensuring equity in global rule-making.

Card 2: GLOBAL GROUPINGS (UN / WTO / IMF — COMMON)

QUOTE

"3Ts: Trust, Transparency and Timeliness." — PM Modi

"Developing countries want human-centric globalization; therefore India should take a proactive role in pushing for reformed multilateralism."

INTRODUCTION

- ___ established to promote ___.
- India is one of the **founding members of** ___, which ensures (role).
- **Democracy deficit** in ___ calls for **reformed multilateralism** to promote **human-centric globalization**.

CONCLUSION

- **UN:** India suggested **NORMS** — New Orientation for Reformed Multilateral Systems.
- **WTO:** With increasing trends of protectionism and trade wars, WTO should take centre stage to protect the **liberal economic world order**.

Card 3: Template 4: GLOBAL GROUPING (UN / WTO / IMF)

QUOTE

"Developing countries want human-centric globalization; therefore India should take a proactive role in pushing for reformed multilateralism." — PM Modi

INTRODUCTION

- ___ established to promote ___.
- India is one of the **founding members of** ___; which ensures **(role)**.
- **Democracy deficit** in ___ calls for **reformed multilateralism** to promote **human-centric globalization**.

Section Group: Neighborhood & Bilateral Engagements

Microtopic: Neighborhood Relations: India & its Neighborhood-Relations

Subtopic: Neighbourhood

Card 1: India and its Neighbourhood

QUOTE

"A nation's destiny is shaped by its geography but defined by its diplomacy." — Shyam Saran

INTRODUCTION

- In an era of geoeconomics and geostrategy, India's neighbourhood policy is shifting from passive proximity to proactive partnership. Guided by **Neighbourhood First, SAGAR and Act East**, India seeks a stable periphery to anchor its global ambitions in an increasingly Indo-Pacific-centric world order.

EXAMPLES

- India hosted the BIMSTEC Security Dialogue focusing on regional counter-terrorism
- e-VBAB (Tele-education) initiative extended to Sri Lanka under digital diplomacy
- PM's Bhutan visit yielded MoUs on energy grid cooperation and space tech

CONCLUSION

- Neighbourhood ties need not just history but harmony, resilience, and regionalism rooted in shared prosperity.

Card 2: India-bangladesh RELATIONS

QUOTE

"India's ties with Bangladesh is a role model in International Relations." — Harshwardhan Singla

CONCLUSION

- Leverage close fraternal ties + include Bangladesh in **IMT (India-Myanmar-Thailand) corridor**.

Card 3: India-nepal RELATIONS

QUOTE

"Our relation needs mutual trust, equality, & benefit to sustain it." — PM Modi

"The India-Nepal Border should not be a barrier but a bridge to bring prosperity to both sides." — PM Modi

INTRODUCTION

- "We share **open borders & deep-rooted ties of kinship and culture** — Roti, Beti ka rishta."

Card 4: India-bhutan RELATIONS

QUOTE

"2-Speed regionalism — faster integration of subregion of South Asia (BIMSTEC-BBIN)." — C. Rajamohan

INTRODUCTION

- Bhutan — **Strategic buffer state** between India and China.

Card 5: India-sri LANKA RELATIONS

QUOTE

"Relationship with India is our most important relationship, period." — Milinda Moragoda, SL High Commissioner (after India's cooperation in crisis)

"Focus must be on elevating the bilateral ties from the current 'transactional' phase to one that is more 'strategic'." — Milinda Moragoda

CONCLUSION

- "Blood is thicker than water." — S. Jaishankar

Card 6: India-myanmar RELATIONS

Card 8: India-pakistan RELATIONS

QUOTE

"You can choose your friends but not your neighbours." — ABV

INTRODUCTION

- Pakistan facing **poly-crisis** — political & economic instability apart from fragile internal security.

CONCLUSION

- **REVIVE SAARC** — "Politics and economics can help to repair fractured history and geography."
- Failed, dysfunctional, ungoverned Pakistan — **not good for India** — huge land border.

Card 9: India and Its Neighborhood (Specific Relations)

QUOTE

"Myanmar is the pillar of India's Act East policy" — PM Modi

"Blood is thicker than water" — S. Jaishankar

INTRODUCTION

- **Bangladesh:** A role model in IRs.
- **Nepal:** Share open borders & deep-rooted ties of kinship and culture (**Roti, Beti ka rishta**).
- **Bhutan:** Strategic buffer state between India and China.
- **Sri Lanka:** Relationship with India is the most important; India provided cooperation in crisis.
- **Pakistan:** Facing **poly crisis** - political & economic stability + fragile internal security.

CONCLUSION

- Shift towards **2 speed regionalism** + create strong dependency bonds.
- Afghanistan: Separate regimes from people; focus on double peace.
- Pakistan: Revive SAARC; failed/ungoverned Pak is not good for India.
