6. (b) Let us sacrifice our today so that our children can have a better tomorrow. – A.P.J. Abdul Kalam (150 words) 10

"आइए, हम अपने आज का बलिदान कर दें ताकि हमारे बच्चों का कल बेहतर हो सके।" - ए.पी.जे. अब्दुल कलाम

Eg: IPS Prabhat Kumar arrested his son
involved in liquor smuggling.

Thus, the solution suggested by Kofi Annan holds ground.

"If corruption is disease, transparency is the best treatment available."

Eg: LG Polymers operated harmful gases without
proper clearance, leading to leakage
and harming its growth potential by
harming public.

- ④ Further, when public asks for information, corruption cannot continue any further.
eg: RTI application in santhri (Karnataka) showed that politician families recieved MNREGA wages without working.

Eg: Social audit in Andhra Pradesh led to exposure of 30,000 government officials involved in corruption.

Thus, as said by Earl Warren,

As noted by European Commission of Justice,
