Section Group: Ethics & Human Values

Microtopic: Ethics and Human Interface: Essence, Determinants, Consequences, and Dimensions of Ethics

Subtopic: Applied Ethics x Environment

Card 1: LEOPOLD'S LAND ETHICS

CONCEPT

- Leopold's Land Ethics — human beings can't see themselves as **dominators of nature**, but **citizens of a larger biotic community**

Card 2: ENVIRONMENTAL ETHICS THEORIES

CONCEPT

- Stewardship
- Anthropocentrism
- Biocentrism
- Sentientism
- Eco-centrism

Card 3: SENTIENTISM AND NON-VIOLENCE

CONCEPT

- Envi covers everything; principle of non-violence extends to all beings — **Sentientism** — Jain/ Buddhist

Subtopic: Consequences of Ethics

Card 1: Consequences of Ethics in Human Actions

QUOTE

“Ethics and equity and the principles of justice do not change with the calendar.” – Dr. B.R. Ambedkar

INTRODUCTION

- **Ethical actions produce not only immediate outcomes but also long-term societal ripples**—strengthening **trust, institutions, and justice**, or conversely, eroding them if ethical principles are compromised.

EXAMPLES

- **Durga Shakti Nagpal** upheld the law against illegal mining despite **political threats**.
- India’s Vaccine Maitri initiative earned global goodwill through value-driven diplomacy.
- **SEBI’s regulatory actions** enhanced **ethical practices in financial markets**.

CONCLUSION

- The **moral weight of action** is revealed in its **long-term impact**—building **trust, justice, and sustainable legitimacy**. **

Card 2: CONSEQUENCES OF A SHORT TERM VIEW

EXAMPLES

- **Short term view** — climate change, envi destruction
- **Materialism, consumerism**
- Selfishness over **altruism**
- Ends >> means -> issues of **corruption, crony capitalism, scams, inequality, crimes**
- **Selfcentredness** — atomism

Subtopic: Determinants of Ethics

Card 1: Determinants of Ethics

QUOTE

“A life of integrity is the most fundamental source of personal worth.” – A.P.J. Abdul Kalam

INTRODUCTION

- **Determinants of ethics** are the inner and external factors—**intentions, motives, consequences, culture, upbringing, and reason**—that shape the **moral worth of human action**, especially in ethically conflicting situations.

EXAMPLES

- **Lal Bahadur Shastri’s resignation** after a train mishap showed **motive-led moral responsibility**.
- **Swachh Bharat Abhiyan** was launched with the ethical **intent to restore dignity** to sanitation work.
- S. Manjunath, IOCL officer, stood against corruption and sacrificed his life for integrity.

CONCLUSION

- **Awareness of ethical determinants** enables morally informed choices that uphold both **personal integrity** and **public interest**.

Card 2: Moral Relativism vs Universalism

QUOTE

“Let us pick up our books and pens; they are our most powerful weapons.” – Malala Yousafzai

INTRODUCTION

- **Moral relativism acknowledges the diversity of ethical norms**, while **moral universalism upholds timeless values** like human dignity, justice, and equality as applicable across all cultures and contexts.

EXAMPLES

- **Abolition of Sati** reflected **universal human rights over cultural practice**.
- **India’s stand on gender rights at the UN** affirms **ethical universalism**.
- **Triple Talaq verdict** prioritized **universal gender justice over traditional custom**.

CONCLUSION

- Ethical balance lies in respecting culture while ensuring universal moral principles are never compromised in the name of tradition.

Subtopic: Essence of Ethics

Card 1: Essence of Ethics

QUOTE

"Ethics is doing the right thing, even when no one is watching."

INTRODUCTION

- **Ethics is the architecture of inner conviction** a silent force that transforms action into duty by aligning it with universal values like **justice, compassion, integrity, and self-restraint**, beyond external compulsion or law.

EXAMPLES

- **IAS Armstrong Pame** built a 100-km road via crowdfunding, driven solely by **moral duty**.
- **ISRO scientists** work relentlessly, often beyond the call of duty, reflecting **silent ethical commitment**.
- Sanitation workers during COVID-19 served amid personal risk without complaint or recognition.
- W

CONCLUSION

- Ethics humanizes authority and anchors public behavior in moral legitimacy, ensuring that decisions are not just lawful but also righteous.

Card 2: THE CONCEPT OF A GOOD LIFE

CONCEPT

- **Good life** — realisation of all aspects — material, social, psychological, aesthetic, moral, ethical, human values

Card 3: MATSYA NYAYA (LAW OF THE FISH)

CONCEPT

- **Matsya Nyaya** (Sanskrit: मात्स्यन्याय; IAST: mātṣyanyāya) is an ancient Indian philosophy which refers to the **principle of the Law of Fish**.
- It is described as the **fundamental law of nature** explained by the proverb of the **big fish devouring the smaller fish**, hence **strong devour the weak**.

Card 4: VALUES VS. ETHICS

CONCEPT

- **Values** — important, lasting beliefs on good/ bad, desirable/ undesirable
- **Ethics** — reasoned framework of principles to govern human conduct, concerned with **good of individual and society**

Card 5: HINDU TEXTS ON LIFE EXPERIENCES

CONCEPT

- Hindu texts define life as 'Anubhav Dhara' — series of experiences.

Card 6: THE POWER OF PRINCIPLES

QUOTE

"Army of principles can go where an army of men can not"

Card 7: RIGHTEOUSNESS AND CHARACTER

CONCEPT

- Diagram linkages showing **Righteousness** leading to World Peace, Order in Nation, Harmony in Home, and Good Character.

Card 8: CONSTITUTIONAL MORALITY DIAGRAM

CONCEPT

- **Constitutional Morality:** Sovereignty, Welfare State, Justice, Democracy, Equality, Secularism, Rule of law.

Subtopic: Ethics in Private and Public sphere

Card 1: Ethics in Private Relationships

QUOTE

“Values must be practiced first in the home, then in society.” – Dr. A.P.J. Abdul Kalam

INTRODUCTION

- **Private relationships are the training ground for moral values** like **trust, empathy, loyalty, and responsibility**. These values later reflect in a person’s public conduct and character.

EXAMPLES

- **Gandhi’s confession to his father** demonstrated **deep-rooted honesty and guilt** in personal relationships.
- **Sonu Sood’s humanitarian work** was underpinned by **familial values and upbringing**.
- **PM Modi’s devotion to his mother** highlights **humility and rooted ethics**.

CONCLUSION

- **Private morality forms the core of public ethics**—a strong personal value system strengthens larger social and institutional ethics. **

Card 2: Ethics in Public Relationships

QUOTE

"Public service must be more than doing a job efficiently; it must be a complete dedication to the people." – Sardar Vallabhbhai Patel

INTRODUCTION

- **Ethics in public relationships demands fairness, transparency, impartiality, and responsiveness**, ensuring that public servants act with **integrity and accountability** in the exercise of their duties.

EXAMPLES

- **E. Sreedharan's leadership** in metro projects reflected **honesty and public dedication**.
- **S. R. Sankaran's service** to bonded labourers upheld **empathy in governance**.
- **COVID-19 frontline officials** risked personal safety, reflecting **duty-bound ethics**.

CONCLUSION

- Ethical public behavior fosters institutional trust, ensuring that governance remains citizen-centric and morally accountable.

Card 3: ETHICS IN PRIVATE SPHERE

CONCEPT

- **"Adherence to laws** may not be followed in **private sphere of life**".

EXAMPLES

- "Eg. case of **IPS beating his wife**. (MP)".

Card 4: PRIVATE VS. PUBLIC INTEGRITY

EXAMPLES

- Eg:- An IPS of **MP cadre** was video-recorded to be beating his wife. His professional **integrity** to not harm vulnerable section becomes highly doubtful.

Subtopic: Normative ****Ethics**** (Deontology vs Teleology)

Card 1: Dimensions of Ethics

QUOTE

"Ethics is nothing but a sense of responsibility that extends beyond oneself." – S. Radhakrishnan

INTRODUCTION

- **Ethics operates across personal, interpersonal, societal, professional, and global domains**—each demanding consistent application of values, collectively shaping one's **moral reasoning and conduct** in diverse situations.

EXAMPLES

- **Irom Sharmila's fast** reflected **personal ethics** against perceived state violence.
- **President Rajendra Prasad's neutrality** in office demonstrated **institutional ethics**.
- **India's global climate stance** reflects **ethical responsibility at the international level**.

CONCLUSION

- **Ethical maturity lies in harmonizing these dimensions**, ensuring that personal virtue and social duty coexist meaningfully.

Card 2: CONSEQUENTIALISM VS. DEONTOLOGY

CONCEPT

- Deontological theory (Kant)
- **Consequentialism (JS Mill, Bentham)** — includes **utilitarian**, common good

Card 3: ENDS JUSTIFY THE MEANS (HISTORY EXAMPLES)

EXAMPLES

- Moderates vs Extremists / Revolutionary Movement -> **Independence**
- ^^ ends justify means; as all freedom fighters equally respected

Card 4: CONSEQUENTIALISM IN POLICY

EXAMPLES

- **Consequentialism: — Nuclear weapons as deterrent**
- Wars for national interest
- **Welfare of the state most important** — in our constitution (unity, integrity in Preamble)

Card 5: DEONTOLOGY IN POLICY

EXAMPLES

- **Deontology: — Upholding of human rights** and work done by UNHCR
- Why India hasn't jumped from socialism to capitalism — justice approach
- Gandhi's withdrawal of NCM

Subtopic: Term Based

Card 1: Ethics and Law Interface

QUOTE

“Law and order are the medicine of the body politic and when the body politic gets sick, medicine must be administered.” – Dr. B.R. Ambedkar

INTRODUCTION

- Law provides the external boundaries of behavior, while ethics governs the internal compass. Ethics aspires for the ideal, often exceeding what the law requires, making both mutually reinforcing.

EXAMPLES

- Ashok Khemka's transfer history shows ethical resistance to legal misuse.
- Gandhi's Civil Disobedience ethically challenged legally valid but unjust laws.
- Judicial activism often interprets law through ethical reasoning in PILs.

CONCLUSION

- Law without ethics is coercion, and ethics without law is vulnerability—together they ensure justice with conscience and accountability.

Microtopic: Human Values: Role of family society and educational institutions in inculcating

values

Subtopic: Crisis of Ethical Values

Card 1: Value Conflicts in Public and Private Life

QUOTE

“Your beliefs become your thoughts, your thoughts become your words... your destiny.” – Mahatma Gandhi

INTRODUCTION

- **Value conflict is the ethical friction between personal beliefs and professional expectations.** It tests **moral clarity, emotional courage, and ethical prioritization** when one must choose between conscience and convenience.

EXAMPLES

- An IAS officer exposing corruption may face backlash from within the system.
- Ratan Tata's refusal to bribe demonstrated value over profit.
- **Whistleblowers in corporate scams** uphold **public ethics over private loyalty**.

CONCLUSION

- Resolving value conflict demands principled balance, where the ethical high ground is maintained without forsaking role-responsibility or human dignity.

Card 2: POOR ROLE MODELS

EXAMPLES

- **Poor role models** — school teachers involved in **cheating in CBSE exams**.

Card 3: SOCIAL MORALITY AND SILENCE

EXAMPLES

- Eg:- **disrobing of Draupadi** saw the silence of elders like **Bhishm Pitamah** which highlights degradation of Social morality itself.

Card 4: CONSEQUENCES OF DECLINE IN TRUST

CONCEPT

- Consequences of decline in trust deficit
- Personal level: Ethical compromise in personal life; Suspicion in relationships; Loneliness, rootlessness -> mental health disorders; Fear and paranoia; Emotional breakdowns in case of breakdown of trust in relationships
- Societal level: Unsafe environment for weak, vulnerable; Increased exploitation — workers, trafficking; Breakdown of **social contract**; Cooperation difficult even on vital issues; Increased violence, intolerance

Subtopic: Role of Educational institutions

Card 1: Role of Educational Institutions in Inculcating Values

QUOTE

“Education must build character before it builds careers.” – Swami Vivekananda

INTRODUCTION

- **Educational institutions are nurseries of ethical citizenship**, transforming intelligence into wisdom. Through curriculum, mentorship, and peer culture, they embed **empathy, service, and moral reasoning** in future generations.

EXAMPLES

- **CBSE’s value education modules** promote **life skills, empathy, and ethics**.
- **TISS fosters ethical public engagement** through **field immersion and reflection**.
- **Navodaya Vidyalayas** instill **discipline, fraternity, and national integration**.

CONCLUSION

- **Education rooted in values produces not just professionals, but public-spirited individuals** who uplift society through both knowledge and character. **

Card 2: MECHANISMS FOR VALUE EDUCATION

CONCEPT

- **Value education** — reward and punishment mechanism. Teachers of impeccable character.

Card 3: MORAL STORIES AND SOFT POWER

EXAMPLES

- Ordinary Citizens & Values: moral stories for children to teach life lessons
- **Soft power - 1971 B'desh war** — not overtaking them by India added to our moral power and adherence to **Panchsheel** principles
- **Gift of GITA by PM** — dialogue on ethics more than religion
- **Japan's soft power** — teachings of Taoism & Buddhism
- Confucian thoughts behind Chinese diplomacy

Card 4: POSITIVE ROLE MODELS IN EDUCATION

EXAMPLES

- **+ve:** — Teacher not shunning student rather innovative ways to teach - Sonam Wangchuk

Card 5: GANDHI AND VIVEKANANDA ON TRUE EDUCATION

QUOTES

"Gandhi: real edu is not packing the brain with info, facts, figures or passing exams by reading the prescribed no of books but by developing the right character"

*"Swami Vivekananda - we must have life building, man making, **character building education**"*

Subtopic: Value Based Questions

Card 1: Meaning and Scope of Human Values

QUOTE

"Where there is righteousness in the heart, there is beauty in the character." – Dr. A.P.J. Abdul Kalam

INTRODUCTION

- **Human values are the invisible architecture of human dignity and ethical purpose.** They are intrinsic moral ideals that elevate behavior from **instinct to intention**, from **habit to humanity**—forming the ethical bedrock of civilization.

EXAMPLES

- **Raja Ram Mohan Roy's reformist zeal** stemmed from the value of **human dignity**.
- **Gandhi's Satya and Ahimsa** defined the **spiritual core of non-violent struggle**.
- **NITI Aayog's Aspirational Districts Programme** promotes **equity and justice** for the most underserved.

CONCLUSION

- Human values cultivate the soul of a just society, ensuring that development is grounded in compassion, fairness, and dignity for all.

Card 2: Role of Family in Inculcating Values

QUOTE

"The family is the first school of social and moral learning." – Jawaharlal Nehru

INTRODUCTION

- **Family is the crucible where the first moral impressions are forged.** It teaches not by rules but by **example**, shaping a child's compass through **unspoken lessons in empathy, honesty, and discipline**.

EXAMPLES

- **Gandhi's respect for truth** was instilled by his **mother's spiritual discipline**.
- **Dr. Kalam credited his father** for teaching him **honesty and austerity**.
- **Many civil servants attribute their service ethics** to **family role-modeling**.

CONCLUSION

- A value-rich family nurtures ethical citizens, laying the foundation of public integrity in private morality.

Card 3: Role of Society in Inculcating Values

QUOTE

"Society is the mirror where we refine our character." – Dr. S. Radhakrishnan

INTRODUCTION

- **Society functions as a collective moral ecosystem**, shaping ethics through **traditions, culture, peer behavior, and collective narratives**. It provides the stage where personal values are either **reinforced or resisted**.

EXAMPLES

- **Societal acceptance of LGBTQ+ rights** reflects growing **inclusivity and empathy**.
- **Narmada Bachao Andolan** built a movement on **environmental and indigenous values**.
- **COVID-19 community kitchens** showcased **solidarity and compassion**.

CONCLUSION

- **A just society nurtures ethical reflexes**, making moral action the norm not the exception across public and private life.

Card 4: WINSTON CHURCHILL ON FAMILY

QUOTE

*"Thus, Winston Churchill has rightly said, 'There is no doubt that it is around the **family** that all the **greatest institutions** are created, strengthened and maintained'."*

Card 5: PLATO ON SOCIETY

QUOTE

*"Thus, Plato has correctly said, 'What is **honoured in a society is cultivated there**'."."*

Section Group: Governance & Probity

Microtopic: Probity in Governance: Concept of Public Service; Philosophical Basis of Governance and Probity; Information Sharing and Transparency in Government, Right to information; Codes of Ethics, Codes of Conduct, Citizen's Charters, Work Culture, Quality of Service Delivery, utilization of Public Funds, Challenges of Corruption.

Subtopic: **Probity in Governance**

Card 1: Concept of Public Service

QUOTE

"Public service must be more than doing a job efficiently and honestly. It must be a complete dedication to the people." – Margaret Chase Smith

INTRODUCTION

- The concept of public service refers to the ethical obligation of using state authority for collective welfare, grounded in duty, neutrality, compassion, and responsible stewardship of public trust.

EXAMPLES

- Lal Bahadur Shastri's resignation after a train accident exemplified moral accountability.
- Ashok Khemka's frequent transfers reflect unwavering dedication to integrity.
- Civil servants in aspirational districts work with mission-mode selflessness.

CONCLUSION

- Public service transforms office into obligation, where power becomes a moral commitment to uplift the weakest without bias or fear. **

Card 2: Philosophical Basis of Governance and Probity

QUOTE

“A man of character will make himself worthy of any position he is given.” – Mahatma Gandhi

INTRODUCTION

- **Probity is the philosophical expression of moral uprightness in public life**, where **virtue, truth, and transparency** converge to ensure that governance is not just lawful but ethically legitimate.

EXAMPLES

- **Kautilya in Arthashastra** emphasized **ethical conduct of rajadharma (king's duty)**.
- **Sardar Patel's emphasis on impartial civil services** reflected **value-centric governance**.
- **Anti-corruption laws** institutionalize **ethical behavior as a normative expectation**.

CONCLUSION

- **Governance without probity breeds legalism without legitimacy**, where compliance exists but conscience collapses. **

Card 3: THE SINGAPORE MODEL

EXAMPLES

- Eg:- Singapore model where political will and **probity** have ushered zero **corruption**.

Subtopic: ****Transparency** X **RTI****

Card 1: Information Sharing and Transparency in Government

QUOTE

“Information is the currency of democracy.” – Thomas Jefferson

INTRODUCTION

- **Transparency in governance is the proactive disclosure of institutional processes, decisions, and performance**, allowing public scrutiny and trust through **openness, visibility, and participative accountability**.

EXAMPLES

- RTI Act empowered citizens with access to decision-making.
- **Digital dashboards (e.g., PM Gati Shakti)** improve **real-time transparency**.
- **e-Samiksha portal** monitors government work with **inter-ministerial openness**.

CONCLUSION

- **Transparency converts secrecy into service**, ensuring that state power operates under the light of public awareness. **

Card 2: Right to Information (RTI)

QUOTE

"When the people are well informed, they can be trusted with their own government." – Thomas Jefferson

INTRODUCTION

- The Right to Information is a legal and ethical tool that transforms passive subjects into active citizens, empowering them to question, audit, and engage with the machinery of governance.

EXAMPLES

- RTI exposed the Adarsh housing scam and many recruitment irregularities.
- Public Distribution System leakages were revealed via RTI filings.
- Whistleblowers like RTI activist Amit Jethwa laid bare environmental violations.

CONCLUSION

- RTI institutionalizes democratic ethics, turning governance from a monologue into a monitored dialogue. **

Card 3: KOFI ANNAN ON TRANSPARENCY

QUOTE

"Thus, the solution suggested by Kofi Annan holds ground. 'If corruption is disease, transparency is the best treatment available!'"

Card 4: RTI AS AN EMPOWERMENT TOOL

CONCEPT

- "Further, when public asks for information, **corruption** cannot continue any further."

EXAMPLES

- "Eg: RTI application in Santhri (Karnataka) showed that politician families received **MGNREGA** wages without working."

Card 5: INSTITUTIONALISING TRANSPARENCY

EXAMPLES

- Transparency and accountability institutionalised cf: self disclosure under **RTI**, citizen charters, digi bonds.

Card 6: TOOLS OF TRANSPARENCY

CONCEPT

- Transparency prevails when the **probity** is upheld.

EXAMPLES

- Eg:- Jan sunwai, Citizen's charter, RTI.

Card 7: TRANSPARENCY AND GOOD GOVERNANCE

CONCEPT

- Diagram showing the flow: Communication, Openness, **Accountability** → **Transparency** → **Ethical Gov**, Participative Gov → **GOOD GOVERNANCE**.

Subtopic: Challenges of Corruption

Card 1: Challenges of Corruption

QUOTE

“Corruption is worse than prostitution. It destroys the soul of the nation.” – Baba Ramdev

INTRODUCTION

- **Corruption is the unethical use of entrusted power for private gain**, eroding **trust**, weakening **institutions**, and distorting the **moral foundation** of public service and development.

EXAMPLES

- 2G and coal scams undermined resource transparency.
- **PDS and MGNREGA leakages** weakened **last-mile trust**.
- PC Act (1988) amendments and Lokpal aim to check corruption.

CONCLUSION

- **Corruption is not merely a legal failure but a moral collapse**, demanding reform, transparency, and inner restraint.

Card 2: POPE FRANCIS ON CORRUPTION

QUOTE

"CORRUPTION IS PAID BY THE POOR. - Pope Francis"

"Results in collusive corruption paid for by the poor. - Pope Francis"

Card 3: PROBITY AND INSOLVENCY

CONCEPT

- Eg:- During public/constitutional offices, those with **bankruptcy / Insolvency** are not allowed because they will tend to engage in bribe.

Card 4: INDIFFERENCE BREEDS CORRUPTION

QUOTE / DATA

- 'People's indifference is best breeding ground for corruption': our ranking in CPI (TI) is 85/180. Hence, it becomes important to us.

Card 5: SANSKRITISATION OF CORRUPTION

CONCEPT

- Kaushik Basu** has talked about the **sanskritisation of corruption****** in the society because everybody accepts it.

Card 6: VOHRA COMMITTEE AND NEFARIOUS NEXUS

CONCEPT

- Ethical issues highlighted by **Vohra Committee** report between bureaucrat, politician and businessman.
- Favouritism

Card 7: CORRUPTION DEFINITION & EQUATION

DIAGRAM/FORMULA

- **Monopoly + Discretion - Accountability — Corruption**

CONCEPT

- Corruption is a blanket term that covers malpractices related to abuse/ misuse of position/ power or authority reposed in an individual/ entity

DIAGRAM/FORMULA

Card 8: THE VICIOUS CYCLE OF CORRUPTION

CONCEPT

- Diagram showing the vicious cycle between **corruption**, **probity**, and political will.

Card 9: ELECTORAL SPENDING AND PROTEST CULTURE

DATA

- **Lokniti Survey** — ₹67,000 cr spent in 2019 general elections
- Orb media survey: youth in the country are more inclined to protest culture rather than institutional politics

Subtopic: Citizen's Charter

Card 1: Citizen's Charters

QUOTE

"The true ruler is the one who serves his people best." – Chanakya

INTRODUCTION

- **Citizen's Charters** are public declarations of service commitments, timelines, and grievance redressal, fostering **transparency, accountability, and responsiveness** in public service delivery.

EXAMPLES

- **Passport Seva Kendras** operate under **defined service charters**.
- **Railways and hospitals** display **time-bound commitments for public services**.
- **E-Seva in Andhra Pradesh** incorporated **charters with real-time tracking**.

CONCLUSION

- **Citizen's charters operationalize ethical governance**, converting intent into accessible and time-bound delivery. **

Card 2: CITIZENS' CHARTER AND CSAT QV

CONCEPT

- Citizens' charter is the statement of commitment by the organisations to their clients/citizens.
- 6 Principles: CSAT QV
- **C-Choice** — wherever possible
- **S-Standards** — specifying what to expect and how to act if stds are not met
- A - Accountability
- T-Transparency
- Q- Quality
- V-Value for taxpayers' money
- Simple. Must be framed not only by senior experts, but by interaction w/ staff

Subtopic: Codes of Ethics and Codes of Conduct

Card 1: Codes of Ethics and Codes of Conduct

QUOTE

"Ethics is knowing the difference between what you have a right to do and what is right to do." – Potter Stewart

INTRODUCTION

- **Codes of Ethics provide aspirational moral standards, while Codes of Conduct lay down enforceable behavioral rules**, together creating an ethical infrastructure for professional accountability in public service.

EXAMPLES

- **All India Services Conduct Rules (1968)** prescribe **civil servant behavior**.
- **Model Code of Conduct during elections** ensures **fairness and neutrality**.
- Many PSUs follow internal Codes of Ethics for conflict management.

CONCLUSION

- **Ethical codes translate values into action**, ensuring clarity, consistency, and institutional conscience in public functionaries. **

Card 2: CODE OF ETHICS FOR LEGISLATORS

CONCEPT

- Mention about **Code of ethics****** for MPs/MLAs ARC-II

Card 3: 2ND ARC RECOMMENDATIONS

CONCEPT

- Role played by **2nd ARC**, by recommending: Legislations like Civil Services Bill to ensure fixation of tenure of senior civil servants. Monitoring of **ethical** conduct of civil servants through Central Civil Services Authority (CCSA) so that objective postings and transfers take place.
- Improving **ethics** through: Passing **Code of Ethics***, **Repealing Article 311 to incentivise ethical*** civil servants.
- **Code of Ethics****** for Politicians, to improve politician-bureaucrat nexus.

Card 4: CODE OF CONDUCT DEFINED

CONCEPT

- **Code of conduct** is statement of expected behaviour of an organisation from its employees.

EXAMPLES

- Civil service (Conduct) Rules, 1964.

Subtopic: Quality of Service Delivery

Card 1: Quality of Service Delivery

QUOTE

"The customer is the most important visitor on our premises." – Mahatma Gandhi

INTRODUCTION

- Quality of service delivery in governance reflects how effectively, fairly, and empathetically public goods and services reach beneficiaries, measuring both procedural efficiency and moral inclusiveness.

EXAMPLES

- Mohalla Clinics in Delhi deliver accessible and timely health services.
- Jan Dhan-Aadhaar-Mobile (JAM) trinity ensures leakage-free benefit transfers.
- One Nation One Ration Card enhances delivery portability.

CONCLUSION

- Service quality transforms citizens from beneficiaries to stakeholders, deepening both inclusion and trust.

Card 2: RESPONSIVENESS IN GOVERNANCE

EXAMPLES

- "Eg: Hyderabad municipal corporation compensates people when electricity/water supplies are cut."

Subtopic: Utilization of ****Public Funds****

Card 1: Utilization of Public Funds

QUOTE

"Public money must be treated with the same sacredness as temple offerings." – Chanakya

INTRODUCTION

- Utilization of public funds involves ethical allocation, spending, and monitoring of taxpayer resources, ensuring efficiency, equity, and integrity in financial stewardship.

EXAMPLES

- CAG audits reveal misuse in MPLADS and MNREGA.
- Direct Benefit Transfers reduce leakages in subsidies.
- PFMS platform tracks real-time fund flows.

CONCLUSION

- Fiscal probity upholds public faith, making every rupee spent a reflection of responsibility, not recklessness.

Subtopic: Work Culture

Card 1: Work Culture

QUOTE

"Culture eats strategy for breakfast." – Peter Drucker

INTRODUCTION

- Work culture in governance refers to the collective ethos, values, and behavioral norms that shape how public duties are performed, influencing efficiency, accountability, and ethical climate in institutions.

EXAMPLES

- Kerala's decentralized planning is rooted in collaborative and responsive work culture.
- E. Sreedharan's Metro team reflected professional punctuality.
- Citizen feedback under SPARSH platform helps improve attitudinal ethos.

CONCLUSION

- Work culture is the silent ethic of governance, shaping daily performance more than rules ever can. **

Card 2: PROFESSIONAL WORK CULTURE

CONCEPT

- Keywords for conclusion for question on civil services: Professional work culture ensures democratic decision making, flatter hierarchy, self **accountability** and **effectiveness**.

Card 3: ETHICAL COMPETENCY TRAINING

CONCEPT

- Effective interventions to transform into Professional work culture: **Ethical** competency training (Kiran Aggarwal committee).

Card 4: MAX WEBER ON BUREAUCRACY

CONCEPT

- Max Weber defines Bureaucratic work culture having: 1) division of work 2) hierarchy of authority 3) rule based order 4) merit based succession 5) top-down structure.

Card 5: JAPANESE WORK ETHIC AS HUMAN CAPITAL

EXAMPLES

- Human capital** — Japanese worked extra hours post WW2 to rebuild
- Japanese punctual

Card 6: UPHOLDING DISCIPLINE (IAS PULKIT SINGH)

EXAMPLES

- IAS Pulkit Singh** — upheld discipline using carrot and stick approach
- Became punctual himself
- Innovative: upload picture with newspaper after reaching office

Microtopic: Public/Civil Service Values and Ethics in Public Administration: Status and Problems; Ethical Concerns and Dilemmas in Government and Private Institutions; Laws, Rules, Regulations and Conscience as Sources of Ethical Guidance; Accountability and Ethical

Governance; Strengthening of Ethical and Moral Values in Governance; ethical Issues in International Relations and Funding; Corporate Governance

Subtopic: ****Ethical**** Issues in International Relations and Funding

Card 1: Ethical Issues in International Relations and Funding

QUOTE

"A just world order must be rooted in values, not just power." – Atal Bihari Vajpayee

INTRODUCTION

- **Ethics in international relations involves reconciling national interest with global justice**, where foreign aid, diplomacy, and negotiations are filtered through **principles of fairness, sovereignty, and human dignity**.

EXAMPLES

- **India's Vaccine Maitri** showed **compassion-driven diplomacy**.
- **Debate over IMF loan conditions** raises **ethics of debt and sovereignty**.
- **India's stance on Russia-Ukraine war** balanced **neutrality with humanitarian concerns**.

CONCLUSION

- **Ethical diplomacy earns global trust**, especially when morality aligns with strategic clarity. **

Balancing Ethics and Realities in International Relations

Card 2: ETHICS IN INTERNATIONAL RELATIONS

CONCEPT

- "Vaccine nationalism and cornered 60% vaccines despite only 16% population, it becomes essential to question the ethicality of vaccine passports."

Card 3: THE VICIOUS CYCLE OF VIOLENCE

EXAMPLES

- Violence leads to vicious cycle of violence. Ethiopia - Oromo-Tigray conflict.

Card 4: MACHIAVELLI & REALPOLITIK

CONCEPT

- Machiavelli's **realpolitik** in international relations propounds that nation's foreign policy are guided by sovereign interests alone.

Card 5: GLOBAL GOVERNANCE AND ANARCHISM

EXAMPLES

- Global governance leads to anarchism. Eg:- weaponisation of space as there is no explicit law against it.

Card 6: INDIA'S SOFT POWER DIPLOMACY

EXAMPLES

- **China vs India** — hard power seen as threat; soft power celebrated
- Ctries having nuclear ties w/ India despite not signing NPT => faith in our NFU policy
- Brazil thanked India for COVID vaccines w/ Hanuman illustration

Subtopic: Accountability and Ethical Governance

Card 1: Status of Ethics in Governance

QUOTE

“A person who is morally educated will be a lot better equipped to move up the ladder of life.” – Dr. A.P.J. Abdul Kalam

INTRODUCTION

- The status of ethics in governance reflects how deeply moral reasoning like justice, transparency, and restraint— has permeated administrative behavior, political culture, and institutional decision-making.

EXAMPLES

- Frequent high-level scams indicate **ethical vulnerability** in governance.
- RTI Act and Lokpal show attempts at **restoring institutional morality**.
- Whistleblowing in Vyapam and coal block cases reflect ethical assertion from within.

CONCLUSION

- A government is only as ethical as its daily conduct, not merely its constitutional promises or public declarations.

Card 2: Accountability and Ethical Governance

QUOTE

“Power must always be accompanied by responsibility.” – Pandit Jawaharlal Nehru

INTRODUCTION

- **Accountability is the moral architecture of governance**, ensuring that authority is exercised under **scrutiny, answerability, and consequence**—thereby aligning public power with ethical performance.

EXAMPLES

- RTI ensures administrative transparency to citizens.
- CAG reports expose misuse of public funds.
- Social audits in MGNREGA allow community-level accountability.

CONCLUSION

- **Accountability institutionalizes humility in governance**, transforming power from privilege to public stewardship. **

Card 3: Strengthening Ethical and Moral Values in Governance

QUOTE

“Morality cannot be legislated, but behavior can be regulated.” – Dr. Martin Luther King Jr.

INTRODUCTION

- **Strengthening values in governance involves institutionalizing virtues such as integrity, compassion, and impartiality through systemic reform, ethical leadership, and norm-setting public behavior.**

EXAMPLES

- Mission Karmayogi introduces ethics modules in training.
- **Ethics audits in government bodies** review moral climate.
- **Role models like Vinod Rai** inspire ethical emulation.

CONCLUSION

- **Ethics in governance must be cultivated like a habit**, not enforced like a rule. **

Card 4: ACCOUNTABILITY

CONCEPT

- Answerability + Enforceability + Responsiveness → **Accountability**.

Card 5: SOCIAL AUDIT AND ACCOUNTABILITY

EXAMPLES

- "Eg: Social audit in Andhra Pradesh led to exposure of 30,000 government officials involved in **corruption**".

Card 6: ACCOUNTABILITY VS. RESPONSIBILITY

CONCEPT

- **Accountability** in a broader sense should be inculcated both outward (answerability) and inward (responsibility/**conscience**).

Card 7: INSTITUTIONAL ACCOUNTABILITY

CONCEPT

- Accountability is ensured through laws and rules.

EXAMPLES

- Eg:- CAG audit, CVC, CBI enquiries.

Subtopic: Conflict of Interest

Card 1: DEFINITION OF CONFLICT OF INTEREST

CONCEPT

- Intro: A **conflict of interest** is a situation where one's values towards their profession, the community and oneself fail to provide a coherent, unique solution and instead present alternate opinions, each benefitting some at the cost of the others.

Card 2: RESOLVING CONFLICT OF INTEREST (FRAMEWORKS)

CONCEPT

- **Resolution fw:** — 4Rs
- Register the issue
- Restrict the official's involvement
- Recruit 3rd party for overseeing process

Subtopic: Ethical dilemmas in Public Administration

Card 1: Ethical Concerns in Government and Private Institutions

QUOTE

“The line between right and wrong is often drawn by self-interest.” – Nani Palkhivala

INTRODUCTION

- Ethical concerns emerge when institutional conduct diverges from normative standards of responsibility, resulting in **abuse of power**, **conflict of interest**, and **erosion of public or stakeholder trust**.

EXAMPLES

- **Banking scandals** (e.g., **PMC**, **Yes Bank**) exposed **regulatory negligence** and **greed**.
- **Nirav Modi case** showed **weak ethical oversight** in public banking.
- Corporate greenwashing misrepresents ethical responsibility as image-building.

CONCLUSION

- **Institutional ethics cannot depend on compliance alone**; it must be grounded in moral culture and individual accountability. **

Subtopic: Laws, Rules, Regulations and Conscience as Ethical Guidance

Card 1: Sources of Ethical Guidance

QUOTE

“Law is only a floor; morality is the ceiling.” – Dr. B.R. Ambedkar

INTRODUCTION

- Ethical guidance originates from a blend of codified rules, constitutional ideals, social norms, and inner conscience, offering both **external direction** and **internal restraint** in decision-making under ambiguity.

EXAMPLES

- All India Services Conduct Rules formalize ethical standards.
- Judicial references to constitutional morality surpass mere legality.
- Grassroots movements like RTI reflect public moral expectations.

CONCLUSION

- **Sustainable ethics emerge when law, role, and inner conscience converge** to guide action under uncertainty. **

Card 2: LAW VS. ETHICS

CONCEPT

- "However, many times they are inconsistent."

EXAMPLES

- Unethical, but illegal in India: "to take dowry."
- Not illegal in India, but unethical: "2.1. Marital rape".

Card 1: Aptitude – Meaning and Relevance

QUOTE

“Excellence happens not by accident. It is a process.” – Dr. A.P.J. Abdul Kalam

INTRODUCTION

- **Aptitude is the innate or acquired ability to understand, act, and adapt effectively in specific contexts.** It reflects **mental sharpness, emotional regulation, and ethical clarity**, making it foundational for sound public decision-making.

EXAMPLES

- **IAS topper Pradeep Singh’s consistent preparation** reflected both **analytical aptitude and emotional discipline**.
- **District collectors managing disaster zones** combine **crisis aptitude** with **empathetic field leadership**.
- **Aptitude tests in UPSC exams** assess **problem-solving, comprehension, and judgment** under pressure.

CONCLUSION

- **Aptitude ensures efficiency with integrity**, enabling civil servants to respond with competence, sensitivity, and ethical balance in dynamic governance settings. **

Card 2: Objectivity

QUOTE

“Facts are sacred; opinion is free.” – Jawaharlal Nehru

INTRODUCTION

- **Objectivity is the ability to make decisions based on evidence, logic, and fairness rather than emotions, bias, or external pressures.** It is essential for equitable governance and rational public service delivery.

EXAMPLES

- **Right to Information (RTI)** institutionalized **evidence-based decision-making**.
- **UPSC interview panels** are designed to be **objective and neutral**.
- **E-governance tools like JAM trinity** reduce **subjectivity in welfare distribution**.

CONCLUSION

- **Objectivity ensures that fairness prevails over favoritism**, building credibility and predictability in public institutions. **

Card 3: Dedication to Public Service

QUOTE

“The best way to find yourself is to lose yourself in the service of others.” – Mahatma Gandhi

INTRODUCTION

- **Dedication to public service is a value that prioritizes collective welfare over personal gain.** It transforms duty into **devotion**, and office into an **instrument of justice and compassion**.

EXAMPLES

- **IAS Armstrong Pame’s road-building mission** in Manipur showed **selfless administrative commitment**.
- **Healthcare workers during COVID-19** exemplified **sacrifice for public well-being**.
- **Civil servants working in LWE regions** show **unwavering service under risk**.

CONCLUSION

- **Dedication fuels ethical resilience**, making civil servants true agents of inclusive and responsive governance. **

Card 4: Tolerance

QUOTE

“Tolerance and patience are much stronger than brute force.” – Subhas Chandra Bose

INTRODUCTION

- **Tolerance is the willingness to accept views, behaviors, or beliefs different from one’s own.** It reflects **maturity in pluralism**, and is vital for harmony in a diverse, democratic society.

EXAMPLES

- **India’s constitutional protection of religious and linguistic minorities** is rooted in **tolerance**.
- **Civil society protests (e.g., Anna Hazare Movement)** were largely respected in a **tolerant democratic** framework.
- **Public officials dealing with aggressive stakeholders** often practice **patience and restraint**.

CONCLUSION

- **Tolerance builds bridges in conflict**, making peaceful coexistence and inclusive progress not just possible, but sustainable. **

Card 5: TOLERANCE AND MULTIPLE TRUTHS

CONCEPT

- **'Ekam sat viprah Bahudha vadanti'** (Truth is one, learned interpret it differently).

Card 3: SIGNIFICANCE OF POSITIVE ATTITUDE

CONCEPT

- Significance: Conflicting goals, Lack of resources, Political interference, Delays, time taking procedure
- Conclusion: Spillover effects of individual. Attitude defines one's attitude

Subtopic: Attitude for Individuals

Card 1: Content of Attitude

QUOTE

“Watch your thoughts, they become words... your destiny.” – Mahatma Gandhi

INTRODUCTION

- Attitude is a **structured mental orientation toward a person, object, or idea, shaped by beliefs, emotions, and behavioral intentions**. It forms the psychological filter through which individuals interpret and respond to the world.

EXAMPLES

- A **positive attitude towards public service** motivated IAS officer **Arunraj K** to voluntarily teach underprivileged students.
- **Social media trolling** often stems from **negative attitudes formed by bias and misinformation**.
- Swachh Bharat campaign targeted public attitude change towards cleanliness, not just infrastructure.

CONCLUSION

- **Understanding attitude content helps shape constructive behavior**, fostering rational thinking, empathy, and proactive public engagement. **

Card 2: Structure of Attitude

QUOTE

“What we think, we become.” – Gautama Buddha

INTRODUCTION

- **Attitude has a tripartite structure—cognitive (belief), affective (feeling), and behavioral (intention).** These components interact to form a consistent psychological disposition, shaping how individuals evaluate and respond to stimuli.

EXAMPLES

- **Gender bias** in hiring often stems from **cognitive stereotypes, emotional discomfort, and discriminatory** behavior.
- **Clean Ganga Mission** built on **belief in sacredness, emotional attachment, and volunteering actions.**
- Public attitude toward disability is evolving from sympathy to inclusion—across all three dimensions.

CONCLUSION

- **Dissecting attitude structure enables targeted reforms,** addressing not just what people think, but also how they feel and act. **

Card 3: Functions of Attitude

QUOTE

“We are kept from our goal not by obstacles, but by a clear path to a lesser goal.” – Bhagavad Gita

INTRODUCTION

- **Attitudes serve key functions—adaptive, ego-defensive, value-expressive, and knowledge-based** helping individuals navigate complex environments while maintaining **psychological stability and social identity**.

EXAMPLES

- **Caste prejudices** serve **ego-defensive functions** to justify inherited privilege.
- **Patriotism in national service** performs a **value-expressive function**, as seen during disaster relief.
- **Voting choices** often reflect the **knowledge function**, simplifying political complexity.

CONCLUSION

- **Recognizing attitude functions enables tailored policy interventions**, transforming resistance into acceptance and apathy into participation. **

Card 4: Formation of Attitude

QUOTE

“You don’t just live in a society; society lives in you.” – Dr. B.R. Ambedkar

INTRODUCTION

- **Attitudes are formed through socialization, experience, conditioning, role models, and media exposure.** They evolve over time, influenced by family, culture, institutions, and life events.

EXAMPLES

- **Stereotypes about manual labor** are often learned in childhood through **family and societal messaging**.
- **School campaigns promoting gender equality** shape **positive attitudes early**.
- **Media glorification of violence** can foster **aggressive or insensitive attitudes** in youth.

CONCLUSION

- **Early and ethical attitude formation** is critical to building citizens who are socially conscious and emotionally intelligent. **

Card 5: Attitude-Behaviour Relationship

QUOTE

“Action is the real measure of intelligence.” – Napoleon Hill

INTRODUCTION

- While attitudes influence behavior, the relationship is moderated by factors like social pressure, opportunity, and perceived consequences. Alignment of belief and action defines authenticity and ethical consistency.

EXAMPLES

- A civil servant may value **honesty** but **remain silent in corruption** due to fear or peer pressure.
- RTI activists act on attitudes of transparency, converting beliefs into action.
- Plastic bans often fail when attitudes are positive but behavior remains unchanged due to inconvenience.

CONCLUSION

- **Bridging the attitude-behavior gap** requires not just awareness but supportive environments, courage, and value reinforcement. **

Card 6: CAB MODEL FOR ATTITUDE FORMATION

CONCEPT

- Intro: CAB model for attitude formation factors
- **Weekday rules** — c: myth, a: fear, b: past experience

Subtopic: Moral and Political Attitude

Card 1: Moral and Political Attitudes

QUOTE

“Politics without principles is a sin.” – Mahatma Gandhi

INTRODUCTION

- Moral attitude reflects an individual's internalized sense of right and wrong, while **political attitude** expresses views on power, authority, and governance. Together, they shape civic conduct and public reasoning.

EXAMPLES

- Moral attitude led whistleblowers like **Manjunath and Satyendra Dubey** to act against corruption.
- Youth participation in elections reflects evolving **political attitudes of empowerment**.
- Polarized media can distort both **moral clarity and political tolerance**.

CONCLUSION

- **Balanced moral and political attitudes are vital** to nurture participative democracy and ethical governance. **

Card 2: WAYS TO CHANGE POLITICAL ATTITUDES

CONCEPT

- Ways to bring them (Use when change in attitude is needed)

- **Social skill** — Anna Hazare convinced people for water harvesting in Ralegan

Card 5: EI IN CRISIS MANAGEMENT

EXAMPLES

- **Aligarh IPS story** — crowd mgmt
- **PM declared lockdown** — chose lives over livelihood

Subtopic: EI: Concept and utility

Card 1: Definition and Relevance of Emotional Intelligence

QUOTE

“To handle yourself, use your head; to handle others, use your heart.” – Jawaharlal Nehru

INTRODUCTION

- **Emotional Intelligence is the integration of emotional awareness and cognitive regulation**, enabling individuals to **understand, manage, and apply emotions** effectively for ethical judgment, adaptive behavior, and constructive human interaction.

EXAMPLES

- IAS officers during COVID-19
- responded with empathy to
- public panic.
- Chandrayaan-3 team managed
- emotional highs and lows with
- composure.
- Police handling farmers’
- protests relied on emotional
- balance over force.

CONCLUSION

- **Emotional intelligence creates emotionally stable institutions**, where empathy and ethics inform governance beyond rigid procedures.

Card 2: Self-awareness

QUOTE

“The first step in solving a problem is to recognize your role in creating it.” – Dr. A.P.J. Abdul Kalam

INTRODUCTION

- **Self-awareness is the capacity to introspectively access one’s emotional states, values, and impulses,** forming the basis for **emotional self-regulation, authenticity, and ethical alignment** in personal and administrative contexts.

EXAMPLES

- Dr. Kalam’s humility stemmed from conscious self-understanding.
- Ira Singhal’s resolve reflected clarity of purpose and emotional identity.
- LBSNAA’s feedback exercises promote introspection and ethical grounding.
